The screenshot displays the Cisco Umbrella web interface. On the left, a dark sidebar contains a menu with 'Cisco Umbrella' at the top, followed by 'Overview', 'Deployments', and 'Core Identities'. Under 'Core Identities', there is a list of items including 'Networks', 'Network Devices', 'Roaming Computers', 'Mobile Devices', 'Registered Appliances', 'Chromebook Users', 'Network Tunnels', 'Users and Groups', 'Configuration', 'Domain Management', 'Internal Networks', 'Root Certificate', 'SAML Configuration', 'Service Account Exceptions', 'Policies', 'Reporting', and 'Security & Compliance'. The 'Sites and Active Directory' option under 'Configuration' is highlighted with a red box and a red '1'. The main content area is titled 'Deployments / Configuration' and 'Sites and Active Directory'. It features a description: 'Sites and Active Directory provides you with the means to integrate and deploy virtual appliances and Active Directory (AD). Active Directory (AD) integration supplements Umbrella virtual appliances (VAs) and roaming clients by providing AD user, group, or computer name information for each applicable DNS request'. Below this is a table with columns 'Name' and 'Default Site'. An 'Add New Site' button is highlighted with a red box and a red '3'. At the top right of the main content area, there are three buttons: 'Settings' (highlighted with a red box and a red '2'), 'Add', and 'Download'.

The screenshot displays the Cisco Umbrella web interface for configuring Sites and Active Directory. The left-hand navigation pane is open, and the 'Sites and Active Directory' option is selected, indicated by a red box and the number 1. The main content area shows a table of sites. The table has columns for 'Name', 'Default Site', and 'Test Site 1'. There are two rows: 'Default Site' and 'Test Site 1'. To the right of the table, there are buttons for 'Rename Site' and 'Delete'. The 'Delete' button is highlighted with a red box and the number 3. In the top right corner of the interface, there are three icons: 'Settings', 'Add', and 'Download'. The 'Settings' icon is highlighted with a red box and the number 2.
