How to reach the Cisco office in Amsterdam

Cisco Amsterdam has limited parking space in the building garage. **Access will only be provided when a parking spot has been reserved for you.** Your host can make a reservation for you. When you are parking in the building garage, please announce your name and the name of your Cisco host at the intercom. Security will welcome you in the garage.

When there is no parking spot available you will be asked to find an alternative parking space or alternative transport to the Cisco office.

Please have a look at this document which indicates the different ways to reach the Cisco office:
