

Cisco Webex Assist Services

For Webex Meetings, Webex Trainings, and Webex Events

Expert help for extraordinary events

Value statement

Host extraordinary meetings and events every time. The Cisco Webex Assist team helps every step of the way, for smooth execution and greater ROI.

Overview

Seamless delivery: Take comfort in knowing that your producer is a certified expert who will support your event or meeting from start to finish to help ensure that it runs smoothly.

Added value: Our experts are there to help before, during, and after your meeting. Your producer can help you get maximum impact by using in-meeting features such as Q&A, chat, and polling and provide the best possible experience for your attendees. Take advantage of a dry run session to fine-tune, prepare, and practice.

Benefits

Before the event	During the event	After the event
<ul style="list-style-type: none"> Take advantage of planning and preparation Get advice on best practices Experts can assist with event scheduling and enrollment options Put your plan into action with a dry run before the main event 	<ul style="list-style-type: none"> Focus on your event—not the technical details Let your expert producer answer questions, administer polls, and support speakers 	<ul style="list-style-type: none"> Receive a high-quality recording for reference or on-demand training Receive enrollment and attendance reports Request polling, Q&A, and online chat transcripts
