

Cisco WebEx Try and Buy 90 Promotion

Transform the Way You Collaborate and Connect

Take advantage of the Cisco WebEx® Try and Buy 90 Promotion, exclusive to Cisco Business Edition 6000 customers. Now you can experience exceptional online conferencing offered by Cisco WebEx Meeting Center at no cost, for 90 days.

Experience Exceptional Online Conferencing

Make meetings more productive and engaging, as you collaborate more effectively with WebEx Meeting Center. Plus, you can view and start meetings from Cisco Jabber® desktop or mobile clients or transparently escalate to a Cisco WebEx meeting from instant messaging and chat sessions.

WebEx Meeting Center helps you:

- Collaborate and connect with your customers, partners, and employees more effectively
- Meet anywhere, anytime, on any device
- Increase productivity and make meetings more engaging with high-definition video, audio, and content sharing
- Accelerate decision making and important business processes

Who Is Eligible?

All Cisco Business Edition 6000 customers who made their purchase on or after July 1, 2012 are eligible for this promotion.

Note: Existing Cisco WebEx customers are not eligible for this promotion.

Cisco WebEx Try and Buy 90 Promotion

What Is the Promotion?

For a period not to exceed 90 days from the date of order, all eligible participating Cisco Business Edition 6000 customers get:

- Ten named users of the Cisco WebEx Meeting Center service
- Toll Audio (United States only)
- Voice over IP (VoIP), where applicable

This promotion is available from October 7, 2014, through July 25, 2015.

What Happens After the 90-Day Trial Period?

At the end of the 90-day free trial period, you can continue using Cisco WebEx by placing a purchase order with your reseller. If you do not place an order, the no cost service will automatically be deactivated with no action required by you.
