Avoided costs of a material breach

**\$1.5M** 

Remote end-user productivity savings

**\$353.3K** 

IT administration and help desk cost savings

**\$27.2K** 

"The big value [of Cisco Security Suites] is the huge time savings and actually having products that work together in an ecosystem where we understand them. They all have the same look and feel, even though they do different things, with the ability to natively integrate them all."

The biggest return is the time it saves us from dealing with a lot of different point products to get the answers that we need."

VP OF IT SERVICES, CONSTRUCTION

ROI	NPV	PAYBACK
<b>110%</b>	<b>\$2.3M</b>	<b>&lt;6 months</b>
