Centralize data in the datacenter for security

SECURE END-POINTS

Deliver **safe access** to desktops, apps, and services

PREPARE FOR THE FUTURE

Provision new business apps and services in **seconds¹**

“

We set up a Citrix VDI site in our HyperFlex cluster. It runs a lot faster than the existing desktop.

”

PAUL BAUWENS
IT ARCHITECT
MEANDER MEDICAL CENTRE

Improve workplace productivity, efficiency, and mobility today with a fully certified, turn-key application and desktop virtualization solution.
