Service and Support

Use the following steps to resolve support cases:

-
- Step 1** Use the ‘Frequently Asked Questions’ web page—most issues with registration and Secure Message opening can be quickly resolved by seeing if your question is answered on the following web page: <http://res.cisco.com/websafe/help?topic=FAQ>.
- Step 2** Recipients can obtain support by clicking the Chat Online icon and speaking with the Live Agent 24 hours a day, seven days a week. The web chat is available at: <https://res.cisco.com/websafe/help?topic=ContactSupport>.
-  **Note** The Email and Web Chat Support is now available in English and French. The French Support is available between the hours of 8:00 AM to 5:00 PM, Eastern Time, on weekdays.
-
- Step 3** Contact Cisco Secure Email Encryption Service support through email—any issue that is not resolved by the FAQ page must be emailed to the Cisco Secure Email Encryption Service support (support@res.cisco.com). An end-user can expect a response within 24 business hours after submitting the email.
