What’s New in the AsyncOS 7.6.2 for Email Hot Patch

New License Agreement and Supplemental License Agreement

The IronPort End User License Agreement has been replaced and a Supplemental License Agreement has been added. Because the license agreement has changed, you may be required to accept the new agreement when you apply new feature keys after upgrading.

A copy of the new license agreement is included in the Online Help. To view it, choose Help and Support > Online Help, scroll down to the end of the the Contents list, and click the link for the license agreement.

Additional Information

Service and Support

You can request our support by phone, email, or online 24 hours a day, 7 days a week.

During customer support hours (24 hours per day, Monday through Friday excluding U.S. holidays), an engineer will contact you within an hour of your request.

To report a critical issue that requires urgent assistance outside of our office hours, please contact Cisco IronPort using one of the following methods:
U.S. toll-free: 1(877) 641- 4766
International: http://cisco.com/web/ironport/contacts.html
