</tr>
<tr>
<td></td>
<td>• To view the list of resolved issues, select Fixed in these Releases from the Show Bugs drop down.</td>
</tr>
<tr>
<td></td>
<td>• To view the list of known issues, select Affecting these Releases from the Show Bugs drop down and select Open from the Status drop down.</td>
</tr>
</tbody>
</table>

Note
If you have questions or problems, click the Help or Feedback links at the top right side of the tool. There is also an interactive tour; to view it, click the link in the orange bar above the search fields.

Additional Information

Service and Support

For service and support information for Cisco Content Security appliances, see:

If you purchased support through a reseller or another supplier, please contact that supplier directly with your product support issues.

For noncritical questions and issues, you can also submit a customer support request from the appliance. For instructions, see the User Guide or online help.
