The call will now be placed.

To end the call, navigate to the red End button and press OK or press the red button on the remote.

If you want to search for someone in a specific list (Favorites, Directory or Recents), navigate to that headline and press OK. Navigate down to locate the entry to be called.

At that entry press OK on the remote to produce the green Call button. Press OK again or press the Call button on the remote control.

To enter numbers use the keys on the remote control. To use the virtual keyboard, navigate down to and about the keyboard and select characters. Press OK to select a character.

Then press the green Call button to place the call.

This new call will now be added to the existing, creating a conference. Repeat to add more people.

In a call, navigate to Add and press OK on the remote control. This will put the current call on hold.

Locate or type in the participant to be added in the usual way.

This will produce the Add button. Navigate to Add and press the Call button on the remote control.
