## Introduction

This document gives an overview of where you can find guides for the Cisco Webex Panorama systems.

### How to use this guide

The top menu bar and the entries in the table of contents are all hyperlinks. You can click on them to go to the topic.

### Products covered in this guide

- Cisco Webex Room 70 Panorama
- Cisco Webex Room Panorama

### Documentation on the Cisco web site

We recommend that you visit the Cisco web site regularly for updated versions of all guides. Go to the landing pages shown in this guide, or to:

<https://www.cisco.com/go/room-docs>

These pages contain guides for all products in the Cisco Webex Room Series. Look for *Cisco Webex Room Panorama* and *Cisco Webex Room 70 Panorama*.

# Preparing the room before installation

## Room Panorama

### Room preparation guidelines

This document explains the basic guidelines for a successful installation and use of the Room Panorama system. This includes room design, room size, tables and seating, lighting, acoustic guidelines, and microphone placement. Also, information such as system size and weight, how the system is fastened to the wall, and power and Ethernet requirements are included.

Room Panorama and Room 70 Panorama are covered in the same guide, and you can find it here:

<https://www.cisco.com/c/dam/en/us/td/docs/telepresence/endpoint/room-series/installation-guide/room-panorama-room-preparation-guidelines.pdf>

Landing page: <https://www.cisco.com/go/panorama-installation>

### How to handle the optional cosmetic wall panels

This note tells how to handle the optional cosmetics wall panels from Gustafs during transport, storage, installation and use.

# Installation

## Room Panorama

### Installation guide

This guide covers the physical installation of Room Panorama, either with the optional cosmetic wall panels that are offered by Cisco, or with a custom wall. Find the guide here:

<https://www.cisco.com/c/dam/en/us/td/docs/telepresence/endpoint/room-series/installation-guide/room-panorama-installation-guide.pdf>

Landing page: <https://www.cisco.com/go/panorama-installation>

### Wiring diagram

Find the complete wiring diagram, which complements the installation guide, here:

<https://www.cisco.com/c/dam/en/us/td/docs/telepresence/endpoint/room-series/installation-guide/room-panorama-wiring-diagram.pdf>

Landing page: <https://www.cisco.com/go/panorama-installation>

### Initial set-up (getting started)

This Getting started guide is only for Room Panorama. It covers mandatory procedures that you have to do after the physical installation, but before you can start using the system. It includes screen calibration, audio test, and more.

Find the initial set-up guide here:

<https://www.cisco.com/c/dam/en/us/td/docs/telepresence/endpoint/room-series/installation-guide/room-panorama-getting-started-guide.pdf>

Landing page: <https://www.cisco.com/go/panorama-installation>

### Firmware update of screens

You may have to manually update the firmware of the screens. This document explains how to find out if a firmware update is needed, and how to do it.
