Connected learning just got easier.

Cisco Webex Education Connector for Students

Classroom Collaboration

Communicate and share files with your teacher and classmates all from one location.

Access your course’s messages from the Classroom Collaboration tab.

Virtual Meetings

Learn and collaborate in a virtual classroom with the Webex Meetings integration.

Attend lectures in real-time or review recorded sessions of past meetings from the Virtual Meetings tab.

Office Hours

Attend online office hours to review questions one on one with your professor.

Your scheduled session will appear in the Virtual Meetings tab listed with the rest of your meetings.

Find and message your classmates from the members list on your desktop tablet or phone.

Create Spaces to exchange ideas, discuss course content and collaborate with a group.

When class is set to begin, click Join from the Virtual Meetings tab.
