CHAPTER 1

Release and general information

This section provides information about the SocialMiner release 9.0(1) documents.

- [SocialMiner Release Notes, page 1](#)
- [SocialMiner User Guide, page 1](#)
- [Licensing Guide, page 2](#)
- [Developer Guide, page 2](#)
- [Additional resources, page 2](#)

SocialMiner Release Notes

Release Notes contain system requirements, new features, changed information, and caveats for SocialMiner 9.0(1).

The Release Notes are available here: http://www.cisco.com/en/US/products/ps11349/prod_release_notes_list.html.

SocialMiner User Guide

Cisco SocialMiner Doc Wiki

The Cisco SocialMiner Doc Wiki contains a user guide for each SocialMiner release. The user guides contain the following information:

- What is new in each release
- How to install or upgrade SocialMiner
- How to configure settings and set up campaigns

The user guides are found here: <http://docwiki.cisco.com/wiki/SocialMiner>.

Licensing Guide

Open Source licensing guide for SocialMiner

The Open Source licensing document for SocialMiner contains the licenses and notices for open source software used in SocialMiner.

The licensing guide is found here: http://www.cisco.com/en/US/products/ps11349/products_licensing_information_listing.html.

Developer Guide

Cisco SocialMiner Developer Guide

The Cisco SocialMiner Developer Guide contains information about the APIs used in SocialMiner.

It is available from the Cisco Developer Network and requires authentication for access.

Additional resources

Additional information for SocialMiner is available in a series of links from the SocialMiner DocWiki:

- Supported web browsers
- Feed sources
- Virtualization
- Troubleshooting

These additional resources are found here: <http://docwiki.cisco.com/wiki/SocialMiner>.
