

Offer Description

Cisco Attack Surface Management

This Offer Description is part of the [General Terms](#) or similar terms existing between You and Cisco (e.g., the End User License Agreement) (the “**Agreement**”). Capitalized terms, unless defined in this document, have the meaning in the Agreement. Any references to the Supplemental End User License Agreement or SEULA mean Offer Description.

1. Summary

This Offer Description applies to Cisco Attack Surface Management, formerly Cisco Secure Cloud Insights, and any Cisco Offers that reference this Offer Description (collectively, the “**Cisco Offer**”).

2. Support and Other Services

Support. Your purchase of the Cisco Offer includes Basic [Cisco Software Support Services](#).

3. Data Handling

The [Disclosure Documents](#) for Cisco Attack Surface Management provide information about data handling practices, security controls, and other features specific to this Cisco Offer.

4. Special Terms

Disclaimer. Cisco does not represent or warrant that the cloud services will guarantee absolute security due to the continual development of new techniques for intruding upon and attacking files, networks, and endpoints. Cisco does not represent or warrant that the cloud services will protect all your files, network, or endpoints from all malware, viruses or third-party malicious attacks. Cisco does not make any representations or warranties regarding any third-party system or service to which a cloud service integrates or to any ongoing integration support. Integrations made accessible to you that are not a generally available product included on your order are provided on an “AS-IS” basis.
