

## Offer Description

# Cisco IOS XR Perpetual Model

This Offer Description is part of the [General Terms](#) or similar terms existing between You and Cisco (the "Agreement"). Capitalized terms, unless defined in this document, have the meaning in the Agreement. Any references to the Supplemental End User License Agreement or SEULA mean Offer Description.

### 1. Summary

This Offer Description applies to the Cisco IOS XR Perpetual Model for on-premises network operating system and any Cisco Offers that reference this Offer Description (collectively "the Cisco Offer").

### 2. Support and Other Services

Your purchase of the Cisco Offer does not include support, but You can purchase support separately. The current Service Description for the applicable software support services is available at: [https://www.cisco.com/c/dam/en\\_us/about/doing\\_business/legal/service\\_descriptions/docs/solution-support-service-providers.pdf](https://www.cisco.com/c/dam/en_us/about/doing_business/legal/service_descriptions/docs/solution-support-service-providers.pdf). For clarity, the "Software Support with Upgrades" tier described in Section 2.2 (A) of the Service Description is the applicable software support services option for the Software under the Perpetual Model.

### 3. Data Handling

The [Disclosure Documents](#) for Cisco IOS XR provide information about data handling practices, security controls, and other features specific to this Cisco Offer.

### 4. Special Terms

#### Software Suites

- (A) The Cisco Offer is licensed under three separate suites (sometimes referred to as tiers): Essentials, Advantage and Premier (each a "Suite"). To use a Software Suite, You are required to have licenses to the Software Suite equal to the number of applicable Hardware devices running the Cisco Offer.
- (B) A Software Suite is licensed solely for use with a specific Hardware device. You do not have the right to port or pool the license entitlements of the Software Suite.
- (C) The software image that contains a Software Suite might contain additional programs, features and functionality that are not included within the scope of the license that You have purchased to the Software Suite (e.g., a software image might contain the Essentials, Advantage and Premier Software Suites, even if You have purchased a license to the Essentials Software Suite only). Any such software is subject to separate license and payment. The programs, features and functionality that are within the scope of a license to the Essentials Software Suite, the Advantage Software Suite and the Premier Software Suite are identified in the Documentation.
