

Cisco Webex Meetings Services Supplement for Education Subscribers

The terms below supplement and amend Subscriber's Offer Description for Cisco Webex Meetings Services if Subscriber is an Education Subscriber. If there is any conflict between this Supplement and the Offer Description for Webex Meetings Services, the applicable terms in this Supplement will prevail.

A. Education Subscribers

1. An **"Education Subscriber"** is a Subscriber that is a public or private institution that is considered to be a school, college, university, or other education provider, under applicable law, regulation, or other identifying factor.

B. Cisco Webex Meetings Overview

1. **Description of Services.** Table 1 summarizes the core services included with your Cisco Webex Meetings subscription.
2. **Subscription Buying Models.** The available Buying Models are Employee Count and Active User. The Buying Models are outlined in Section D below.
3. Note, Education Subscriber will receive only the core services in Table 1 below. Table 1 and Section D of this Supplement supersede the Offer Description for Cisco Webex Meetings Services.

Table 1: Core Services

Cisco Webex Meetings Enterprise Edition	Cisco Webex Meetings Enterprise Edition offers a suite of Cisco Webex Meetings core services—Cisco Webex Meetings, Cisco Webex Events, Cisco Webex Training, Cisco Webex Support, and Cisco Webex Messenger—as a bundled licensing option.
Cisco Webex Meetings Storage	Cloud Network Based Recording (" NBR ") storage for Cisco Webex Meetings Services.
Cisco Webex Teams	Cisco Webex Teams is the persistent business messaging service within the Cisco Webex Teams app. Exchange messages and share files with another person or a group of people. Choose someone from your company directory or simply enter an email address and start messaging anyone you need to work with.

C. Notices to Minor Children

1. As between Cisco and Education Subscriber, Education Subscriber is solely responsible for providing notices to and obtaining appropriate consents from parents/guardians of such Minor Children (as defined in the Offer Description for Webex Meetings Services) for the collection, use, and processing of personal information by Education Subscriber and Cisco in connection with the delivery of the Service.
2. Education Subscriber will provide such notices and obtain such consents before any collection, use or other processing of personal information of the Minor Children, and upon Cisco's reasonable request will provide evidence of such notices and consents to Cisco in a timely manner; and
3. Education Subscriber will provide parents/guardians with the ability to request access, correction, deletion, or suppression of the personal information collected from the Minor Children.

D. Cisco Webex Meetings Buying Models

1. The available Buying Models are Employee Count and Active User.
2. **"Employee"** shall mean a member of either the administrative or academic staff that is employed (or whose services are retained as a contractor or adjunct professor, work-study or otherwise) on either a full or part-time basis. Employees do not include Subscriber's parent company, or, in this case, an affiliated organization. Employees may include third-party contractors, only if (a) all third-party contractors will count toward the subscription quantity; (b) Subscriber allows the third-party contractor to use the Service only for the benefit of Subscriber; (c) Subscriber does not charge the third-party contractor for the use of the Service; (d) Subscriber is responsible for all fees incurred by such third-party contractor; and (e) Subscriber shall take full liability for the actions of the third-party contractor, including third-party contractor's misuse of the Service.
3. **"Student"** shall mean an individual not considered an Employee that is currently enrolled and/or registered as a full or part-time student. Alumni, former students, potential students, or students on an extended leave or indefinite absence are not eligible to use the Service.
4. **Student Access.** Education Subscriber's Cisco Webex Meetings subscription includes access to the Service for Students.
