4. Special Terms

4.1 Restrictions on Use by Minor Children

- (A) General Restriction. Webex Events is generally not directed at children under the age of 18 and may not be used by persons younger than the age at which an individual is considered a “child” under applicable laws limiting or prohibiting the collection, use and/or disclosure of personal information from and about children on the internet in their relevant jurisdiction (e.g., 13 years old in the United States under the US Children’s Online Privacy Protection Act of 1998, or 16 or 13 years old in the European Union as per Member State Law) (“**Minor Children**”). If You are a parent or guardian and You believe We have collected information from Your child in a manner not permitted by law, please contact Us through <https://privacyrequest.cisco.com> and we will take appropriate measures to investigate and address the issue.
- (B) Exception for Education Users. In some circumstances, Webex Events may be used by Minor Children if the Webex Events are procured for use by a public or private school, college, university, or other education provider (“**Educational Customer**”) if such use is consistent with applicable law, regulation, or other government policy including but not limited to purpose of providing educational services. Since We provide the Webex Events to Educational Customers to benefit and enhance a school’s curriculum, We rely on the Educational Customer to obtain and provide appropriate legal basis (e.g., consent), if needed, to collect personal information of students. In such case, the Educational Customer may have additional obligations with respect to Minor Children depending on the laws in the applicable jurisdiction. As between the parties: the Educational Customer is solely responsible ensuring full compliance with all local laws relating to use by Minor Children, including but not limited to providing notifications, obtaining parental consent, and limiting use of personal information, as required by law.

- 4.2 **Geographic Restrictions**. In accordance with global telecommunications law and regulations, the Cloud Service is currently available in the same countries in which Webex Meetings Paid Subscriptions are available (except in Russia) as listed here: <https://help.webex.com/en-US/article/n6fwepj/Where-is-Cisco-Webex-Available>. If the Cloud Service is not available in a country, purchases will be restricted.
