Offer Description: Cisco Intersight

This Offer Description (the “Offer Description”) describes Cisco Intersight. Your subscription is governed by this Offer Description and the Cisco End User License Agreement located at www.cisco.com/go/eula (or similar terms existing between You and Cisco) (the “Agreement”). Capitalized terms used in this Offer Description not otherwise defined herein have the meaning given to them in the Agreement.

1. Description

Cisco Intersight is a systems management platform that allows IT organizations to analyze, simplify, and automate their data center environments through an intuitive user portal. Cisco Intersight integrates with existing on-premises UCS server hardware and UCS software managers (i.e., Cisco UCS Manager and the Cisco® Integrated Management Controller (IMC) to remotely monitor the health and inventory of data center devices, install and configure devices, and conduct fault monitoring. The Intersight platform may also integrate with other Cisco and third-party solutions. Some integrated Cisco solutions must be subscribed for separately and may be hosted on the Intersight platform.

2. Supplemental Terms and Conditions

Trial access to Cisco Intersight is available for a period of no longer than ninety (90) days.

3. Data Protection

The Cisco Intersight Privacy Data Sheet and Privacy Data Map (available here) describe the Personal Data that Cisco collects and processes as part of the delivery of the Cloud Services. For further information on how Cisco processes, uses and protects all categories of data, please visit Cisco's Security and Trust Center.

4. Support & Maintenance

The Cloud Services include online support and phone support. Cisco will respond as set forth in the table below and may require information from You to resolve service issues. You agree to provide the information requested and understand that a delay in providing the information to Cisco may delay resolution and response time.

Online Support allows access for support and troubleshooting via online tools, email and web case submission only. No telephone access is provided. Case severity or escalation guidelines are not applicable. Cisco will respond to a submitted case no later than the next business day during standard business hours.

Phone Support provides Cisco Technical Assistance Center (TAC) access 24 hours per day, 7 days per week to assist by telephone, or web case submission and online tools with use and troubleshooting issues. Cisco will respond within one (1) hour for Severity 1 and 2 calls received. For Severity 3 and 4 calls, Cisco will respond no later than the next business day.

You will also have access to Cisco.com, which provides helpful technical and general information about Cisco products, as well as access to Cisco's on-line knowledge base and forums. Please note that access restrictions identified by Cisco from time to time may apply.

The below table outlines Cisco’s response objectives based on case severity. Cisco may adjust assigned case severity to align with the Severity definitions below.
### Software Support Service | Technical Support Coverage | Response Time Objective for Case Severity 1 or 2 | Response Time Objective for Case Severity 3 or 4
---|---|---|---
Basic with Phone Support | 24x7 via Phone & Web | Response within 1 hour | Response within next Business Day
Basic with Online Support | Web | Response to all cases within next Business Day during Standard Business Hours |

The following definitions apply to this Section.

**Response time** means the time between case submission in the case management system to support engineer contact.

**Severity 1** means the Cloud Service is unavailable or down or there is a critical impact to a significant impact to Case Submitter’s business operation. Case Submitter and Cisco both will commit full-time resources to resolve the situation.

**Severity 2** means the Cloud Service is degraded or significant aspects of Case Submitter’s business operation are negatively impacted by unacceptable software performance. Case Submitter and Cisco both will commit full-time resources during Standard Business Hours to resolve the situation.

**Severity 3** means the Cloud Service is impaired, although most business operations remain functional. Case Submitter and Cisco both are willing to commit resources during Standard Business Hours to resolve the situation.

**Severity 4** means minor intermittent functionality or performance issue, or information is required on the Cloud Service. There is little or no impact to Case Submitter’s business operation. Case Submitter and Cisco both are willing to provide resources during Standard Business Hours to provide assistance or information as requested.

**Business Day** means the generally accepted days of operation per week within the relevant region where the Cloud Services will be performed, excluding local holidays as observed by Cisco.

**Local Time** means Central European Time for support provided in Europe, Middle East and Africa, Australia’s Eastern Standard Time for support provided in Australia, Japan’s Standard Time for support provided in Japan and Pacific Standard Time for support provided in all other locations.

**Standard Business Hours** means 8am to 5pm Local Time at the location of the respective Cisco TAC, on Business Days, for the handling of TAC calls.
