

## Offer Description

# Cisco Vulnerability Management – Advantage, Cisco Vulnerability Management – Premier, Application Security module, and Cisco Vulnerability Intelligence

This Offer Description is part of the [General Terms](#) or similar terms existing between You and Cisco (e.g., the End User License Agreement) (the “**Agreement**”). Capitalized terms, unless defined in this document, have the meaning in the Agreement. Any references to the Supplemental End User License Agreement or SEULA mean Offer Description.

### 1. Summary

This Offer Description applies to Cisco Vulnerability Management – Advantage, Cisco Vulnerability Management – Premier, Application Security module, Cisco Vulnerability Intelligence, and any Cisco offers that reference this Offer Description (collectively, the “**Cisco Offer**”).

### 2. Support and Other Services

Your purchase of the Cisco Offer includes [Cisco Vulnerability Management Software Support Services](#).

### 3. Data Handling

The [Disclosure Documents](#) for Cisco Vulnerability Management – Advantage, Cisco Vulnerability Management – Premier, Application Security module, and Cisco Vulnerability Intelligence provide information about data handling practices, security controls, and other features specific to this Cisco Offer.

### 4. Special Terms

The vulnerability intelligence data that is provided with Cisco Vulnerability Management – Premier via the user interface or APIs may only be used in support of assets that are licensed for Cisco Vulnerability Management – Premier. To use vulnerability intelligence data for assets not licensed with Cisco Vulnerability Management – Premier, you must separately purchase the Cisco Vulnerability Intelligence offer, under which licenses are based on total number of employees in your organization and not a per-device basis.
