Cisco Meraki Software licenses, which enable Your right to use Dashboard, are not transferable. Cisco offers various licensing models for the Product, each of which is subject to unique entitlements and restrictions described at Meraki Licensing.

If Hardware does not meet this warranty, Cisco will, at its option, (a) repair, (b) replace, or (c) refund You the depreciated amount of the price You paid for such Hardware, calculated on a straight-line, five-year basis. All Hardware repaired or replaced by Cisco under this warranty will be warranted for the remainder of the warranty period referred to above. This Hardware warranty is subject to (y) Cisco’s [Product End-of-Life (EOL) Policy](#), and (z) the liability provisions and warranty restrictions, limitations, and disclaimers of the Agreement.
