

Cisco Webex Meetings Services Fed-RAMP Authorized Supplement to Offer Description and Supplemental Terms

The terms below supplement and amend Subscriber's Offer Description for Cisco Webex Meetings Services if Subscriber is (a) a United States Government entity or United States Government contractor, including federal, state and local government agencies and public educational institutions and (b) purchasing Cisco Webex Meetings Services FedRAMP-Authorized for its own internal use and not for resale, remarketing or redistribution ("U.S. Government Subscriber"). If there is any conflict between this Supplement and the Offer Description for Webex Meetings Services, the applicable terms in this Supplement will prevail.

A. Cisco Webex Meetings Services FedRAMP-Authorized Overview

- Description of FedRAMP-Authorized Services.** Cisco is authorized under the Federal Risk and Authorization Management Program to sell the services described below ("Cisco Webex Meetings Services FedRAMP-Authorized") to U.S. Government Subscribers.
- Subscription Buying Models.** The available Buying Models are Employee Count, Named User, and Active User. The Buying Models are outlined in Section B below.
- U.S. Government Subscribers will receive only the Cisco Webex Meetings Services FedRAMP-Authorized in Table 1 that are available within their designated Buying Model (see Section B below). Table 1 and Section B of this Supplement supersede the Cisco Webex Meetings Services Offer Description and Supplemental Terms.
