

Supplemental End User License Agreement

IMPORTANT: READ CAREFULLY

Dear Customer,

This Supplemental End User License Agreement (“**SEULA**”) contains additional terms and conditions for the Software product(s) set forth herein and licensed under the End User License Agreement (“**EULA**”) between you and Cisco Systems, Inc. or its Affiliates (collectively, the “**Agreement**”). Please note that there may be terms in this SEULA that do not apply to you. Only those terms related to the specific Software product(s) you purchased apply to you. Except as otherwise set forth in this SEULA, capitalized terms will have the meanings as in the EULA. To the extent that there is a conflict between the EULA and this SEULA, this SEULA will take precedence.

By downloading, installing, or using the Software you agree to comply with the terms of this SEULA.

SUPPLEMENTAL LICENSE TERMS FOR: Business Edition 4000

Table 1. SOFTWARE ENTITLEMENT:

<u>Product</u>	<u>License Metric</u>	<u>License Duration</u>
Business Edition 4000 Software	Device	Term, Subscription

ADDITIONAL RIGHTS AND RESTRICTIONS:

- You can only use one Business Edition 4000 Software license for each Connected Telephony Device and such licenses cannot be shared or used concurrently.
- BE4000 Subscription includes entitlement to BE4000 solution technical support.
- You will not use the BE4000 Software in the designated restricted countries listed here: <http://www.cisco.com/go/be4000>.
