

Supplemental End User License Agreement

IMPORTANT: READ CAREFULLY

Dear Customer,

This Supplemental End User License Agreement ("SEULA") contains additional terms and conditions for the Software Product licensed under the End User License Agreement ("EULA") between you and Cisco (collectively, the "Agreement"). Capitalized terms used in this SEULA but not defined will have the meanings assigned to them in the EULA. To the extent that there is a conflict between the terms and conditions of the EULA and this SEULA, the terms and conditions of this SEULA will take precedence.

In addition to the limitations set forth in the EULA on your access and use of the Software, you agree to comply at all times with the terms and conditions provided in this SEULA. DOWNLOADING, INSTALLING, OR USING THE SOFTWARE CONSTITUTES ACCEPTANCE OF THE AGREEMENT, AND YOU ARE BINDING YOURSELF AND THE BUSINESS ENTITY THAT YOU REPRESENT (COLLECTIVELY, "CUSTOMER") TO THE AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THE AGREEMENT, THEN CISCO IS UNWILLING TO LICENSE THE SOFTWARE TO YOU AND (A) YOU MAY NOT DOWNLOAD, INSTALL OR USE THE SOFTWARE, AND (B) YOU MAY RETURN THE SOFTWARE (INCLUDING ANY UNOPENED CD PACKAGE AND ANY WRITTEN MATERIALS) FOR A FULL REFUND, OR, IF THE SOFTWARE AND WRITTEN MATERIALS ARE SUPPLIED AS PART OF ANOTHER PRODUCT, YOU MAY RETURN THE ENTIRE PRODUCT FOR A FULL REFUND. YOUR RIGHT TO RETURN AND REFUND EXPIRES 30 DAYS AFTER PURCHASE FROM CISCO OR AN AUTHORIZED CISCO RESELLER, AND APPLIES ONLY IF YOU ARE THE ORIGINAL END USER PURCHASER.

Product Names

Software Subscriptions for: (i) Cisco CloudCenter Manager, (ii) Cisco CloudCenter Orchestrator, and (iii) Cisco CloudCenter VM tiers

SUPPLEMENTAL END USER LICENSE AGREEMENT FOR

Cisco CloudCenter

Required Subscription Elements. The Cisco CloudCenter solution is comprised of at least three elements, a Cisco CloudCenter Manager, Cisco CloudCenter Orchestrator and licenses for VMs managed by the solution. The solution requires a current subscription for a minimum of: (i) one instance of Cisco CloudCenter Manager; (ii) one instance of Cisco CloudCenter Orchestrator for *each* data center or cloud/region managed; and (iii) VM licenses, sufficient to cover the aggregate peak number of concurrent running VMs managed by the solution. Subscriptions for VM licenses are provided in tiers ("VM tiers," e.g. 100, 250, 500, 1,000, 2,500, 5,000 or 10,000).

Your license covers use of the CloudCenter solution, but does not extend to software with which the CloudCenter solution interacts. Licenses for use of Cisco or third-party software migrated using the CloudCenter solution are *not* covered by this license. You are responsible for obtaining any requisite licenses to such software, including any licenses that may be required for redeploying such software in public or private clouds or data centers.

Cisco CloudCenter License. Your license is limited in time to the subscription period (the "Subscription Period") for each element of Cisco CloudCenter licensed. Each Cisco CloudCenter component has its own "Subscription Period," which for Cisco CloudCenter Manager and Orchestrator begins on the date the component is made available for download, and for each Cisco CloudCenter VM tier, the date the VM tier ordered.

Cisco CloudCenter Subscription Renewals Required. You must renew the subscription/term license and pay the applicable subscription fee for the required Cisco CloudCenter element before the expiration date of the relevant Subscription Period. If the Subscription Period expires **without renewal: (i) software features may cease operation; (ii) Cisco Support Services for On Premises Application Software Subscription Term included in the purchase of the Cisco CloudCenter solution by You may cease, and (iii) upgrades and updates may be withheld. Cisco has the right to terminate your use of the software if your use extends beyond the Subscription Period and you have not paid the applicable fee to continue use of the covered product.**
