

Supplemental End User License Agreement

IMPORTANT: READ CAREFULLY

Dear Customer,

This Supplemental End User License Agreement (“**SEULA**”) contains additional terms and conditions for the Software product(s) set forth herein and licensed under the End User License Agreement (“**EULA**”) between you and Cisco Systems, Inc. or its Affiliates (collectively, the “**Agreement**”). Please note that there may be terms in this SEULA that do not apply to you. Only those terms related to the specific Software product(s) you purchased apply to you. Except as otherwise set forth in this SEULA, capitalized terms will have the meanings as in the EULA. To the extent that there is a conflict between the EULA and this SEULA, this SEULA will take precedence.

By downloading, installing, or using the Software you agree to comply with the terms of this SEULA.

SUPPLEMENTAL LICENSE TERMS FOR: VMS Web Security

Table 1. SOFTWARE ENTITLEMENT:

<u>Product</u>	<u>License Metric</u>	<u>License Duration</u>
VMS Web Security Essentials	Per User	Subscription
VMS Web Security Sophos Anti-Malware	Per User	Subscription
VMS Web Security McAfee Anti-Malware	Per User	Subscription
VMS Web Security AMP (Anti-Malware Protection)	Per User	Subscription

DEFINITIONS:

- “Company Service” means the Your email or Internet services provided to End Users for the purposes of conducting Your internal business.
- “End User” means the employee, contractor or other agent authorized by Your to access the Internet or use email services via the Company Service.
- “Ordering Document” means the purchase agreement, evaluation agreement, beta, pre release agreement or similar agreement between You and Cisco or the You and a Cisco reseller, or the valid terms of any purchase order accepted by Cisco in connection therewith, containing the purchase terms for the Software license granted by this Agreement.
- “Personally Identifiable Information” means any information that can be used to identify an individual, including, but not limited to, an individual's name, user name, email address and any other personally identifiable information.
- “Server” means a single physical computer or devices on a network that manages or provides network resources for multiple users.
- “Services” means Cisco Software Subscription Services.
- “Service Description” means the description of the Software Subscription Support Services at http://www.cisco.com/web/about/doing_business/legal/service_descriptions/index.html
- “Telemetry Data” means samples of Your email and web traffic, including data on email message and web

request attributes and information on how different types of email messages and web requests were handled by Your Cisco hardware products. Email message metadata and web requests included in Telemetry Data are anonymized and obfuscated to remove any Personally Identifiable Information.

- “Term” means the length of the Software subscription You purchased, as indicated in your Ordering Document.
- “Virtual Appliance” means the virtual version of Cisco's email security appliances, web security appliances, and security management appliances.
- “Virtual Machine” means a software container that can run its own operating system and execute applications like a Server. Additional License Terms and Conditions.

GENERAL LICENSE RIGHTS AND RESTRICTIONS:

- **License of Software.** By using the Software and the Documentation, You agree to be bound by the terms of this Agreement, and so long as You are in compliance with this Agreement, Cisco hereby grants to You a nonexclusive, non sublicensable, non transferable, worldwide license during the Term to use the Software only on Cisco's hardware products, or in the case of the Virtual Appliances, on a Virtual Machine, solely in connection with the provision of the Your Service to End Users. The duration and scope of this license(s) is further defined in the Ordering Document. The Ordering Document supersedes the EULA with respect to the term of the Software license. Except for the license rights granted herein, no right, title or interest in any Software is granted to You by Cisco, Cisco's resellers or their respective licensors. Your entitlement to Upgrades to the Software is subject to the Service Description. This Agreement and the Services are co terminus.
- **Consent and License to Use Data.** Subject to the Cisco Privacy Statement at <http://www.cisco.com/web/siteassets/legal/privacy.html>, You hereby consent and grant to Cisco a license to collect and use Telemetry Data from You. Cisco does not collect or use Personally Identifiable Information in the Telemetry Data. Cisco may share aggregated and anonymous Telemetry Data with third parties to assist us in improving Your user experience and the Software and other Cisco security products and services. You may terminate Cisco's right to collect Telemetry Data at any time by disabling SenderBase Network Participation in the Software. Instructions to enable or disable SenderBase Network Participation are available in the Software configuration guide. By entering into this Agreement, You agree that Cisco's Privacy Statement, as it exists at any relevant time, applies to you.
- Please refer to the Cisco Systems, Inc. End User License Agreement, Privacy Statement and Service Description of Software Subscription Support Services.
- Please refer to the Cisco Systems, Inc. End User License Agreement: http://www.cisco.com/c/en/us/td/docs/general/warranty/English/EU1KEN_.html
