

End of Sale for Legacy AS Transactional Services

Cisco Systems© announces the migration and the end-of-sale and end-of life dates of our Legacy AS Transactional Services for The last day to order the affected service is 1/4/2020. Customers with active service contracts will continue to receive support until the termination date of their contract. Table 1 describes the end-of-life milestones, definitions, and dates for the affected service.

Table 1. End-of-Life milestones, definitions, and dates

Milestone	Definition	Date
Internal End-of-Sale Announcement Date	The date that the document announcing the end-of-life and end-of-sale is made available to Cisco internal	5/24/2019
End-of-Sale Announcement Date	The date that the document announcing the end-of-life and end-of-sale is made available to the general public	7/8/2019
Last Day to Quote	This is the last day a quote can be given to a customer or partner	11/5/2019
End-of-Sale date	This is the last date to order the affected service using Cisco point-of-sale mechanisms. The service is no longer for sale after this date.	1/4/2020
End of new service attachment date	This is the last-date to order a new contract or add equipment and/or software to an existing contract for the affected service.	1/4/2020
End of service contract renewal date	This is the last date to extend or renew an existing service contract for affected service.	1/4/2020
Last Date of Support	The last-possible date to receive support for covered products. After this date, support under <insert name="" service=""> is not available, and the service becomes obsolete and End of Life.</insert>	Expiration date of existing active contract.

Service Migration Options

Customers are encouraged to purchase the corresponding replacement service that is available now. These offers provide the same deliverables as the offers they are replacing. See the table below for Legacy and replacement SKUs:
