Supplemental End User License Agreement

IMPORTANT: READ CAREFULLY

Dear Customer,

This Supplemental End User License Agreement (“SEULA”) contains additional terms and conditions for the Software product(s) set forth herein and licensed under the End User License Agreement (“EULA”) between you and Cisco Systems, Inc. or its Affiliates (collectively, the “Agreement”). Except as otherwise set forth in this SEULA, capitalized terms will have the meanings as in the EULA. To the extent that there is a conflict between the EULA and this SEULA, this SEULA will take precedence.

By downloading, installing, or using the Software you agree to comply with the terms of this SEULA.

SUPPLEMENTAL LICENSE TERMS FOR: Software for Open Networking in the Cloud ("SONiC") and Cisco Open Infrastructure Package

Table 1. SOFTWARE ENTITLEMENT:

<table>
<thead>
<tr>
<th>Product</th>
<th>License Metric</th>
<th>License Duration</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cisco Open Infrastructure Package</td>
<td>Device</td>
<td>Perpetual</td>
</tr>
</tbody>
</table>

ADDITIONAL GENERAL LICENSE RIGHTS AND RESTRICTIONS:

- SONiC and the Cisco Open Infrastructure Package are separate software products (even though SONiC and the Cisco Open Infrastructure Package may be provided bundled together).

- SONiC is not a Cisco-branded product. SONiC is third-party open source software and is not owned by Cisco. SONiC is subject to separate license terms as set out at [www.cisco.com/go/opensource](http://www.cisco.com/go/opensource). Any copies of SONiC provided by Cisco are provided solely for Your convenience. Cisco, in its discretion, may stop providing SONiC at any time.

- Notwithstanding anything to the contrary in the Agreement or in any other applicable agreement between You and Cisco, Cisco provides SONiC “AS-IS” without any express or implied warranty or indemnity of any kind for any problems or issues, and Cisco will not have any liability arising from or relating to Your use of SONiC. You are solely responsible for Your use of SONiC. SONiC has not been subject to Cisco’s usual testing and quality assurance processes that Cisco uses for its own software. SONiC may have bugs, errors, or other problems or issues. Cisco has no obligation to provide any maintenance, fixes, updates, upgrades or support for SONiC.
Attachment to SEULA
Software Innovation Access for Cisco Open Infrastructure Package

Purchase of a Cisco® Software Innovation Access Subscription ("SIA Subscription") for the Cisco Open Infrastructure Package ("Cisco Software") entitles You to receive Feature Releases, as described below. Each initial term of an SIA Subscription begins on the day the underlying Cisco Software is made available to You and lasts for the period of time identified in the relevant purchase order. Renewals will begin on the date identified in the purchase order or the day a reinstatement fee is paid, whichever applies.

An SIA Subscription is only available for certain eligible Cisco-branded software product(s). Each Cisco Software license covered by an SIA Subscription must also be supported by a Cisco software support and maintenance contract. In addition, You must purchase SIA Subscription coverage across Your entire deployment of the applicable Cisco Software product. All eligible Cisco Software is licensed under the terms of the Cisco End User License Agreement and the applicable Supplemental End User License Agreement (collectively, the “Agreement”), available at: http://www.cisco.com/go/softwareterms.

Cisco Responsibilities
For eligible Cisco Software covered by an SIA Subscription, Cisco will make available access to Feature Releases. Feature Releases are available for electronic download for Cisco Software releases that have been validly licensed and covered under the current SIA Subscription. Please note that You will not have the right to download or activate a Feature Release following the end-of-sale date of the release or following expiration or termination of an SIA Subscription. At the expiration of an SIA Subscription, You may continue to use solely the licensed Feature Release that is running on the applicable hardware device as of the expiration of the SIA Subscription in accordance with the Agreement. An SIA Subscription does not (i) provide for any custom feature development or feature acceleration, (ii) include any versions or releases of SONiC, or (iii) obligate Cisco to provide Feature Releases to enable use of any new versions or releases of SONiC.

“Feature Releases” means Major Releases and Minor Releases (as defined in the Glossary of Terms https://www.cisco.com/c/dam/en_us/about/doing_business/legal/service_descriptions/docs/terms.pdf) of the applicable Cisco Software, if and when available during the term of the SIA Subscription.

Please note that an SIA Subscription for Cisco Software does not grant any license portability or transferability rights and does not provide upgrades from one type of license or license suite to another (for example, from a standard or essentials license to an advantage or premier license).

Customer Responsibilities
An SIA Subscription requires You to:

- Ensure that all eligible licenses across Your entire deployment of a given Cisco Software product are under both (i) active SIA Subscription coverage and (ii) active Cisco software support and maintenance coverage.
- Monitor and renew SIA Subscriptions prior to expiration to maintain coverage. Prior to the end of each term, You must renew the SIA Subscription for Your entire deployment of a given Cisco Software product to be entitled to receive the benefits of an SIA Subscription. If You wish to reinstate an SIA Subscription on any Cisco Software at any time after expiration, You are required to pay: (i) the amount that You would have paid for an SIA Subscription for the Cisco Software between the date of expiration and the date of reinstatement ("Lapsed Period Fee"); (ii) a reinstatement fee of twenty percent (20%) of the Lapsed Period Fee if Your reinstatement is more than thirty (30) days after the date of expiration; and (iii) the then-current SIA Subscription fee for the new SIA Subscription term.
- Download only the number of copies of licensed Cisco Software when upgrading such Software. An SIA Subscription does not entitle You to use more than the number of licenses purchased from Cisco or an authorized Cisco reseller.
- Provide information requested by Cisco to verify that You have a valid license to the Cisco Software. Cisco may suspend or terminate an SIA Subscription if You do not (i) have valid licenses to the Cisco Software or (ii) pay the requisite license, SIA Subscription, or support and maintenance fees.
- Cease using the previous release of a given Cisco Software product following Your installation of a new release provided in connection with an SIA Subscription. You are not permitted to re-use or transfer the previous release.
