

Supplemental End User License Agreement

IMPORTANT: PLEASE READ CAREFULLY

Dear Customer,

This Supplemental End User License Agreement (“**SEULA**”) contains additional terms and conditions for the Software product(s) set forth herein and licensed under the End User License Agreement (“**EULA**”) between you and Cisco Systems, Inc. or its Affiliates (collectively, the “**Agreement**”). Please note that there may be terms in this SEULA that do not apply to You. Only those terms related to the specific Software product(s) You purchased apply to You. Except as otherwise set forth in this SEULA, capitalized terms will have the meanings as defined in the EULA. To the extent that there is a conflict between the EULA and this SEULA, this SEULA will take precedence.

By downloading, installing, or using the Software You agree to comply with the terms of this SEULA.

SUPPLEMENTAL LICENSE TERMS FOR: Cisco Crosswork Optimization Engine

Table 1. SOFTWARE ENTITLEMENT:

<u>Product License</u>	<u>Metric License Duration</u>
Cisco Crosswork Optimization Engine Subscription	Server, Node (Each is required; see below)

DEFINITIONS:

“**Manage**” means to Use the Software to manage, monitor, or otherwise exchange information with a Node.

“**Node**” means a physical or virtual router, switch, or server in Your network.

“**RTM**” means the right to Manage a Node.

“**RTU**” means the right to Use a single copy of Cisco Crosswork Optimization Engine on a server.

ADDITIONAL RIGHTS AND RESTRICTIONS:

- **Cisco Crosswork Optimization Engine** requires each of the following:
 - an RTU license for each copy of the Software that You load onto a server (either physical or virtual); and
 - an RTM license for each Node that is Managed by the Software.
- **APIs.** Cisco may be providing You with API software currently at no charge. However, nothing restricts Cisco’s right, now or in the future, to monetize the API software. At which point You may be required to pay a license fee in order to Use the API software.
