SERVICE RIGHTS AND RESTRICTIONS:

- 1. Cisco hereby grants you a limited, non-exclusive, non-transferable license to use the Service with the Software during the Service Term.
- 2. Cisco reserves the right, at its sole discretion and from time to time, to modify the Service, or parts thereof, including, but not limited to, terminating the availability of a given feature or functionality. Some material Service changes may include a requirement that you agree to changed SEULA terms. If you do not agree with a change in the Service, or a modification of the SEULA terms reflecting such change to the Service, you may terminate this SEULA and you will no longer have access to the Service.
- 3. You understand and agree that the Service is being provided by one or more third parties on behalf of Cisco (collectively, “licensors”), and that if Cisco’s licensors stop providing the Service for any reason, you will no longer have access to the Service. You may contact Cisco for more information in such event.
- 4. You acknowledge and agree that Cisco and/or its licensors own all right, title and interest, including intellectual property rights in and to the Service.
- 5. The Service may collect and send to Cisco and/or its licensors the following data: (a) your IP address; (b) your Cisco device model and serial numbers and (c) your Internet search requests (including, but not limited to, full URLs, Internet domains and destination web server IP addresses) (collectively, “Your Data”). You represent and warrant that you own or have all necessary rights to Your Data, and acknowledge that Cisco and its licensors do not test or

screen Your Data, other than what is necessary to provide the Service. Cisco and its licensors take no responsibility and assume no liability for Your Data. You shall be solely responsible and liable for Your Data.

- 6. By using the Service, you agree and consent to the collection, use, processing and storage of Your Data and any other personal data according to this SEULA and the Cisco Privacy Statement (available at: <http://www.cisco.com/web/siteassets/legal/privacy.html>). To the extent that there is a conflict between the terms and conditions of the Cisco Privacy Statement and this SEULA, the terms and conditions of this SEULA will take precedence. In performance of the Service, Cisco and/or its licensors may transfer Your Data to its locations in the United States and/or other jurisdictions. By agreeing to this SEULA or using the Service, you agree to such transfer of Your Data. Please note that Your Data may not be subject to the same controls as Your current location. You consent to the uses described above, including but not limited to having Your Data transferred to and processed in the United States and other jurisdictions.
- 7. You further agree and consent that Cisco and/or its licensors may use Your Data to improve the Service and related services from Cisco and/or its licensors, and may aggregate Your Data in a manner which does not identify you. Cisco and/or its licensors may share such aggregate information with third parties.
- 8. NOTHING IN THIS SEULA SHALL AFFECT THE WARRANTIES PROVIDED WITH ANY HARDWARE PURCHASED OR SOFTWARE LICENSED FROM CISCO BY YOU. ANY AND ALL SERVICES PROVIDED HEREUNDER ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE (EVEN IF THE PURPOSE IS KNOWN TO CISCO), SATISFACTORY QUALITY, AGAINST INFRINGEMENT OR ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE GREATEST EXTENT ALLOWED BY APPLICABLE LAW. YOUR SOLE AND EXCLUSIVE REMEDY FOR BREACH OF WARRANTY SHALL BE, AT CISCO'S OPTION, RE-PERFORMANCE OF THE SERVICE; OR TERMINATION OF THE SERVICE.

IN NO EVENT DOES CISCO OR ITS LICENSORS WARRANT THAT THE SERVICE WILL BE UNINTERRUPTED, SECURE OR ERROR FREE. NEITHER CISCO NOR ITS LICENSORS SHALL BE LIABLE FOR ANY FAILURE TO ACHIEVE ANY SERVICE LEVEL AGREEMENT FOR THE SERVICE.

YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT YOU ARE SOLELY RESPONSIBLE FOR YOUR DATA AND ANY OTHER DATA UPLOADED TO OR DOWNLOADED USING THE SERVICE. IN NO EVENT SHALL CISCO OR ITS LICENSORS BE LIABLE FOR THE ACCURACY OR COMPLETENESS OF THE INFORMATION PROVIDED IN CONNECTION WITH THE SERVICE.

This shall not limit Cisco's obligations, subject to this SEULA, to provide the Service. All financial obligations associated with your business are your sole responsibility.

OTHER RIGHTS AND RESTRICTIONS:

- 1. Cisco may terminate this SEULA immediately upon notice: (i) if you breach any provision of this SEULA and fail to remedy such breach within thirty (30) days after written notification by Cisco to you of such breach; or (ii) in the event that Cisco determines, at its sole discretion, to discontinue the Service. Upon termination as specified in this SEULA, (a) all of your rights and licenses hereunder shall terminate, and (b) your access to the Service shall terminate.
- 2. Cisco may at any time terminate this SEULA for convenience, for any reason, or for no reason at all, by providing you with thirty (30) days prior notice of termination via posting an end of sale notice at: <http://www.cisco.com/c/en/us/products/routers/cloud-services-router-1000v-series/eos-eol-notice-listing.html>.

If you have paid in advance for the entire Software Term or Service Term, Cisco shall refund to you the amount of the pre-payment applicable to the unused portion of the Software and/or Service.
- 5. For additional rights and obligations, please refer to the EULA.
