

## Offer Description

# Cisco Webex Hardware as a Service

This Offer Description is part of the [General Terms](#) or similar terms existing between You and Cisco (e.g., the End User License Agreement) (the “**Agreement**”). Capitalized terms, unless defined in this document, have the meaning in the Agreement. Any references to the Supplemental End User License Agreement or SEULA mean Offer Description.

### 1. Summary

This Offer Description applies to Cisco Webex Hardware as a Service and any Cisco Offers that reference this Offer Description (collectively, the “**Cisco Offer**”). The Cisco Offer is a hardware subscription program offering customers the option to purchase Webex-enabled devices and IP phones with subscription payments made monthly or annually. Your subscription includes the following:

- Ownership of the Covered Hardware (subject to applicable Use Rights)
- Restricted rights to Software functionality during the Term as defined in 4.1 of this Offer Description;
- Additional functionality of Covered Hardware, provided You maintain an active subscription to the Product;
- Hardware and Software support for the Covered Hardware, provided You maintain an active subscription to the Product.

Products	License Metric	License Duration
Eligible endpoints with collaboration endpoint software	Covered Hardware	Term
Eligible phones with multi-platform phone firmware or CUCM-compatible firmware	Covered Hardware	Term

### 2. Support and Other Services

Your purchase of the Cisco Offer includes [Cisco Support](#) for Covered Hardware.

### 3. Data Handling

The [Disclosure Documents](#) for Cisco Webex Hardware as a Service provide information about data handling practices, security controls, and other features specific to this Cisco Offer.

### 4. Special Terms

**4.1 Transfer of Title and Restricted Functionality for Covered Hardware without a Subscription.** Upon payment, title to the Covered Hardware is transferred to You according to Cisco standard terms of sale for hardware. However, Covered Hardware may only be used to place or receive calls or attend meetings (as applicable) when a subscription to the Covered Hardware is active.

**4.2 Geographic Restrictions.** The Cisco Offer is currently available for purchase and deployment only in the United States.

#### 4.3 Definitions

Term	Meaning
<b>Covered Hardware</b>	Cisco-branded equipment or devices listed on the datasheet provided to you by Cisco or an Approved Source.
