

Offer Description

Cisco IOS XR Essentials Software Suite and Advantage Software Suite (Flexible Consumption Model)

This Offer Description is part of the [General Terms](#) or similar terms existing between You and Cisco (e.g., the End User License Agreement) (the “**Agreement**”). Capitalized terms, unless defined in this document, have the meaning in the Agreement. Any references to the Supplemental End User License Agreement or SEULA mean Offer Description.

Please note that there may be terms in this Offer Description that do not apply to You. Only those terms related to the specific Software product(s) you purchased apply to You.

1. Summary

This Offer Description applies to the Cisco IOS XR Essentials Software Suite and Advantage Software Suite (Flexible Consumption Model), as more fully described in the Documentation, and any Cisco Offer that references this Offer Description ((collectively, the “**Cisco Offer**”).

2. Support and Other Services

Your purchase of the Cisco Offer does not include support, but You can purchase support separately.

3. Data Handling

The [Disclosure Documents](#) for Cisco IOS XR Essentials Software Suite and Advantage Software Suite (Flexible Consumption Model) provide information about data handling practices, security controls, and other features specific to this Cisco Offer.

4. Special Terms

4.1 Additional General License Rights and Restrictions

- (A) To use the Cisco Offer, You are required to have licenses to the Cisco Offer equal to the Bandwidth of all of the ports that are Activated on the applicable Hardware; provided, however, that You are required to purchase with the Hardware at least the minimum amount of licenses to the Cisco Offer for the applicable Hardware as set forth in the Documentation (even if fewer ports will be Activated).
- (B) A Cisco Offer is licensed solely for use with a specific Hardware device. You do not have the right to Port the license entitlements to the Cisco Offer, except as expressly permitted under Section 4.2 (Portability) of this Offer Description.
- (C) You must register and report license usage for the Cisco Offer via Cisco Smart Licensing. For a more detailed overview on Cisco Smart Licensing, go to <http://cisco.com/go/licensingguide>.
- (D) You may only use the programs, features and functionality that are within the scope of a license to the Essentials Software Suite and the Advantage Software Suite that are identified in the applicable Documentation.

4.2 Portability

- (A) Subject to Your compliance with the Agreement including, without limitation, this Section 4.2 of this Offer Description, You may Port the license entitlements for the applicable Cisco Offer solely in accordance with the applicable Portability Tiers, provided that (i) You have purchased the Hardware from an Approved Source; (ii) You have maintained a Software Innovation Access Subscription, without interruption, across Your entire deployment of the applicable Cisco Offer; and (iii) You have maintained a Software Maintenance contract, without interruption, across Your entire deployment of the applicable Cisco Offer.
- (B) You agree that:
 - (1) Individual components of a Cisco Offer are not portable individually.
 - (2) Once a Cisco Offer license entitlement is Ported to a different Hardware device, the Software must be

deactivated on the previous Hardware device.

4.3 Definitions

| Term | Meaning |
|--|--|
| Activated | A port on the applicable Hardware is in the “no shut” state. |
| Bandwidth | The software usage capacity based on the number of Mbps, Gbps, transactions per second or the number of flows per second. |
| Hardware | A Cisco hardware product that is sold for use with the Essentials Software Suite or the Advantage Software Suite. |
| Port or Porting | The reassignment of Cisco license entitlements between two Hardware devices owned or leased by You and acquired from an Approved Source. For purposes of this Offer Description, “Port” or “Porting” includes the pooling or sharing of license entitlements among Hardware devices. |
| Portability Tier | Equivalent Hardware devices designated from time to time by Cisco. |
| Software Innovation Access Subscription | Cisco’s software subscription program described in the Software Innovation Access Subscription Supplemental Terms . |
| Software Maintenance | An applicable Cisco software support and maintenance service for the covered Cisco Offer. |
