

## Cisco Spark Student Account Parental/Guardian Consent Template

Dear Parents/Guardians,

This school year, [ ] will be using Cisco Spark and Cisco WebEx. These are secure app-centric cloud-based services that provide a complete collaboration suite for teachers and students to create, meet, message, call, whiteboard, and share, regardless of whether they're together or apart; in one continuous work stream before, during, and after class. Students will be provided an account for school use.

With Cisco Spark and Cisco WebEx, students will be able to communicate and work in groups to create, edit and share files and information for school-related projects with other students and teachers. Group spaces will be monitored by teachers. These services are entirely online and available 24/7 from any Internet-connected computer or mobile device. For more information about [ ] implementation, please visit [ ].
