preparing for the
Nashville Cisco Connect
One Cisco keynote

A view of Earth from space, showing the curvature of the planet and the atmosphere. The background is a dark starry sky with the Milky Way galaxy visible. The text is centered in the upper half of the image.

We are going through a
radical transformation
of how the world works

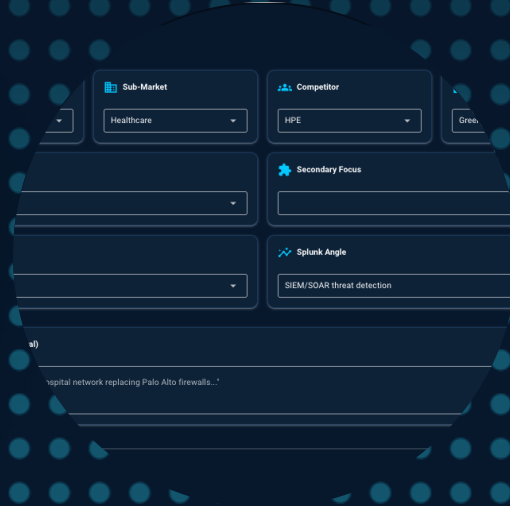

H U M A N S

AI AGENTS

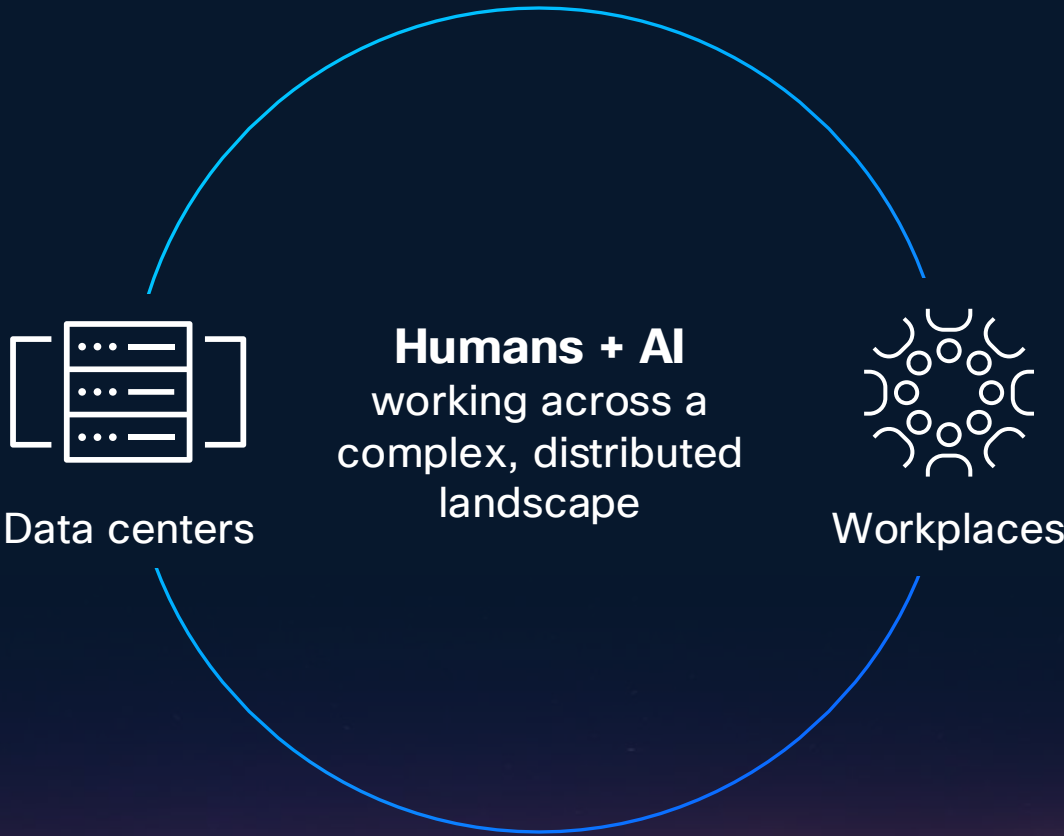

AI APPS

ROBOTS

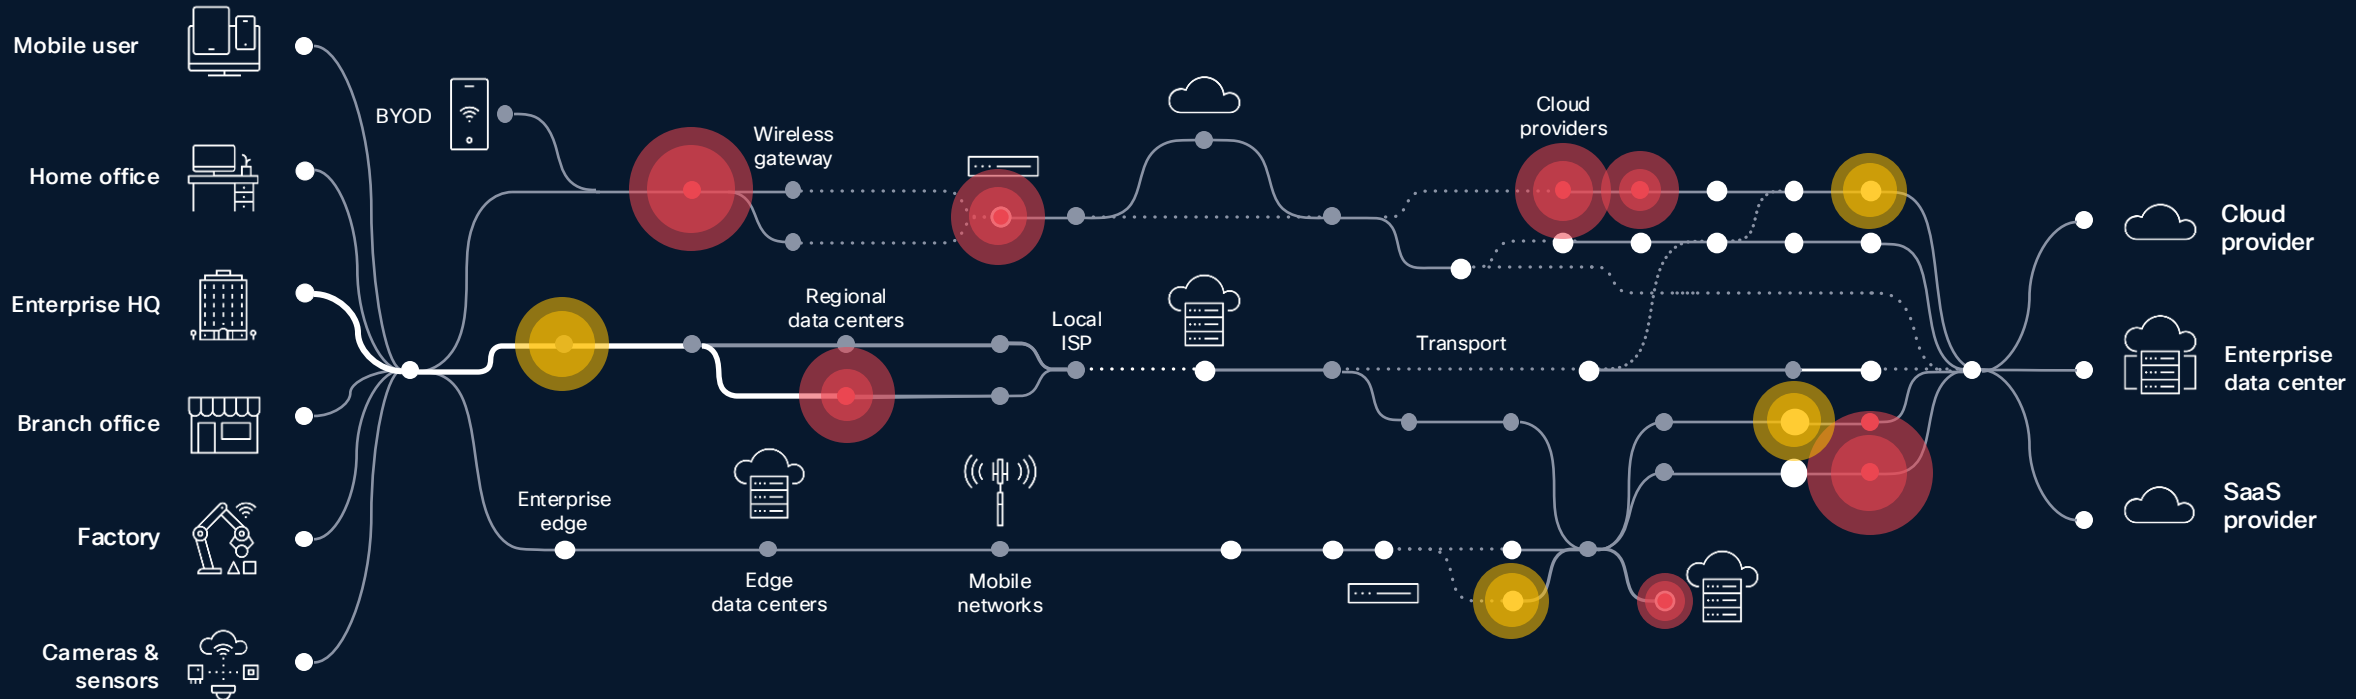

HUMANOIDS

Yesterday's Approaches Don't Support Today's Reality

And Our World Is Getting Even More Complex

Your largest competitor just
hired a workforce who
works 24/7, costs 90% less
and never makes the same
mistake twice.

What's your plan?

Cisco Is Revolutionizing How Infrastructure and Data Connect and Protect Organizations

Yesterday

Market leader in networking
and network security

Accelerated innovation
and integration
Integrated Splunk
Transformed customer service

Today

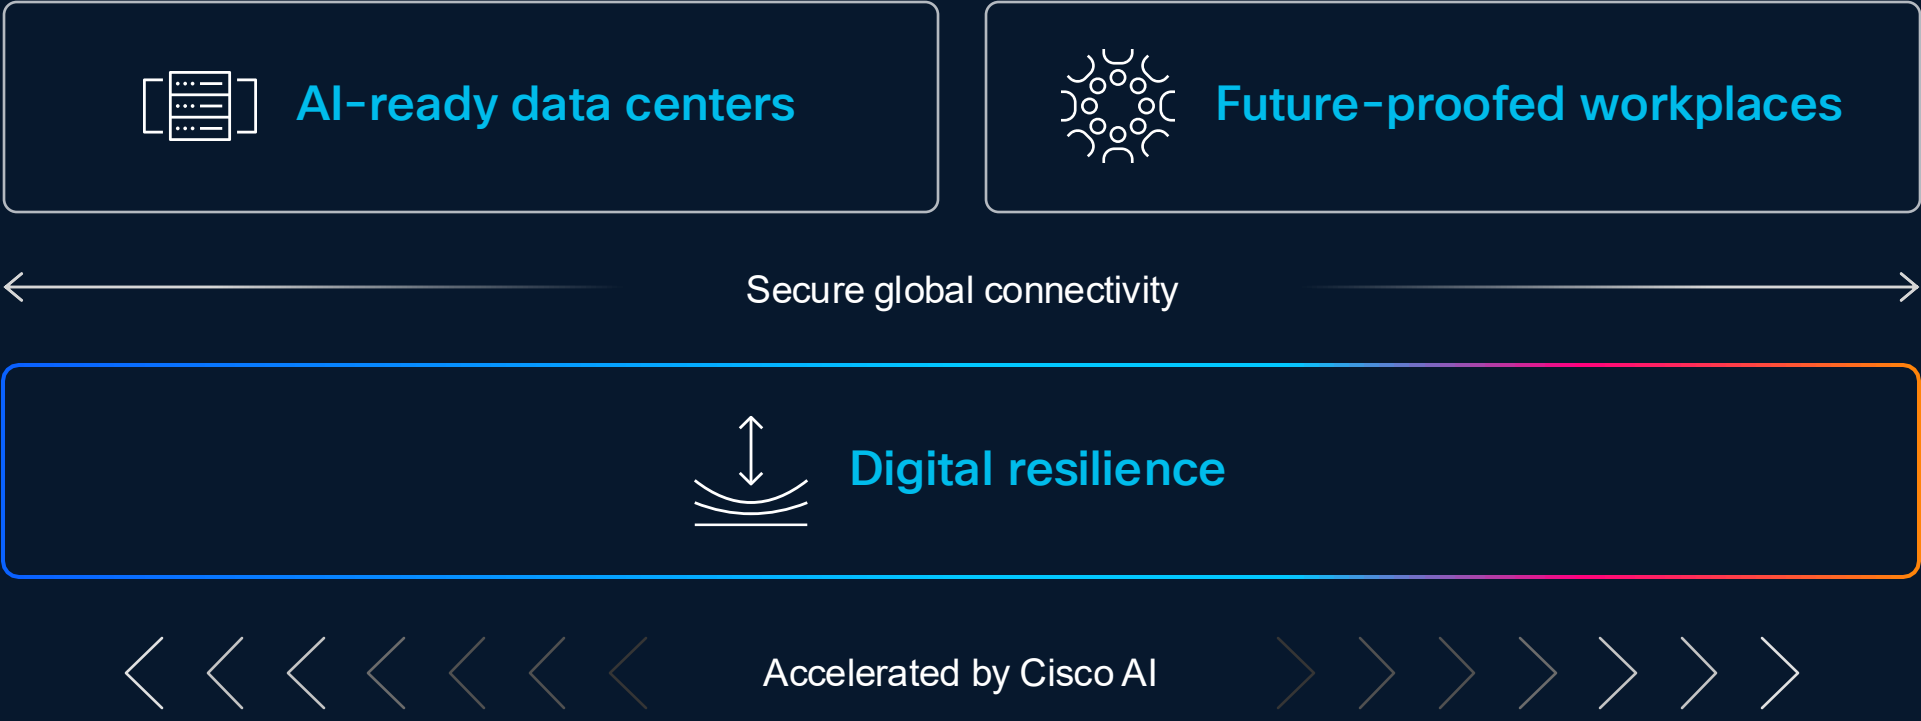

Connecting people, places, apps,
data, agents, and things
Protecting against cyber threats,
downtime, and compliance risk

The Critical Infrastructure for the AI Era

Only Cisco combines the power of
the **network** with **security**,
observability, and **collaboration**

Cisco powers how people and technology work together across the physical and digital worlds

Transform Data Centers to Power AI Workloads Anywhere

Robust, flexible infrastructure

Seamless operations and observability

Security from ground to cloud

Powering Your Future-Proofed Workplaces With Cisco

Secure campus and branch networking

User protection

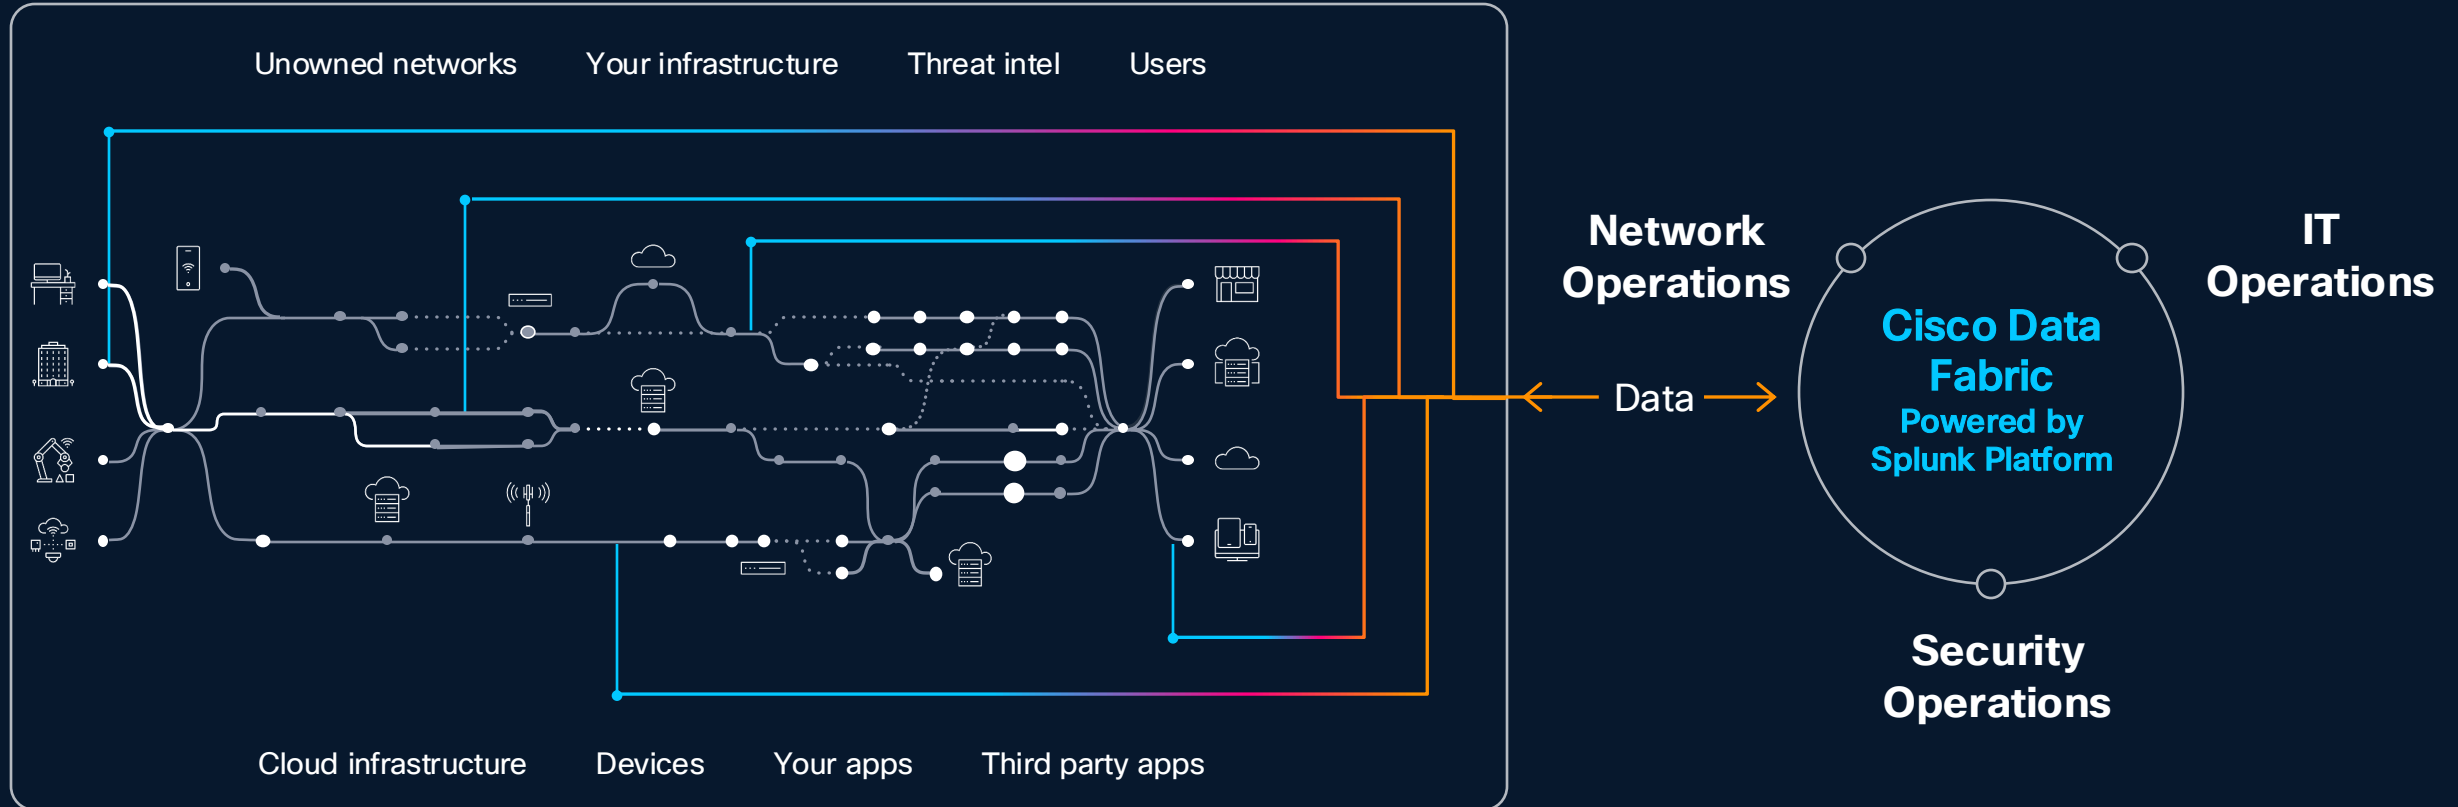

Collaboration devices and software

Smart spaces

Keep the Organization Securely up and Running in the Face of Any Disruption

Cisco + Splunk: Unifying Data Across the Digital Footprint

Fast-Track Success With Cisco Services and Support

Bringing a focus on resiliency, simplicity, and time to value

Deploy

Design adaptable solutions and speed up deployments with Services as Code, plus decades of expertise

Adopt

Maximize value with personalized adoption guidance and automation

Operate

Anticipate and resolve issues before they impact operations with modern AI-powered support

Why Cisco

Market-defining technology

Platform, AI, Silicon

AI + human expertise

Accelerating outcomes across the lifecycle

Global scale

Worldwide reach, partner ecosystem

Building on **40+ years of customer trust**

The AI-Powered Hot Chicken Stack

Even hot chicken runs on infrastructure.
