

Cisco Networking Academy Program: The Alumni Community Supports You Beyond the Classroom

Join the Growing Global Community of Cisco® Networking Academy® Program Alumni

Why join the Alumni Community?

Here are just a few of the benefits and services that you'll enjoy as a member of the Alumni Community:

Continued Access to Curriculum

- As a member you can access updated versions of courses you have completed
- Each curriculum is mapped to the most current certification exams
- The online content will help you keep your skills up to date

Global Alumni Community

Discussion forums and chats allow Academy alumni to join a global community of individuals who share an interest in technology and IT career development

Career Connection Services: Cisco Support from the Classroom to the Workplace

- Academy alumni can benefit from career development and job placement tools and services that are available through Cisco Career Connection
- In the United States, services include access to an online Career Connection job board, which can be found at <http://www.cisco.com/go/US-CC-jobs>

Alumni Marketplace

- Discounts on products and services from Cisco as well as Cisco customers and partners
- Subscription to *Packet* magazine
- Discounts on books from Pearson Press

Access to Learning Resources

- CCNA® Certification Prep Center
- Cisco Learning Connection
- Packet Tracer Download
- NETLAB, for access to remote routers and switches
- Cisco Router Security course

Best of All—It's Free to Join.
And there are no requests for dues or contributions.

Who Is Eligible?

Academy students who successfully complete at least one course and are 18 years of age or older are eligible to join the Alumni Community for free!*

How Do I Register for the Alumni Community?

Within two weeks of completing a qualifying class, you will see a message on your Student Home page on the Academy Connection Website. Click on the Alumni Home link in the left navigation menu of the page. It's that easy.

For More Information

We invite you to learn more about the Cisco Networking Academy Program, or visit: <http://www.cisco.com/go/netacad>. For assistance, please email academy-alumni@external.cisco.com.

* Membership in the Alumni Community is free. However, there is a cost associated with some of the offers and subscriptions available to members of the Alumni Community.
