

# Cisco Digital Learning Subscriptions

## On-demand technical training, redesigned and reimaged

Your team works remotely. In multiple time zones. And travel is restricted. And yet, you still need to roll out new technologies and new products. You still need to validate your skills with new certifications.

To align with your shift to remote learning, Cisco is releasing a new approach to digital training. Cisco Digital Learning subscriptions give you anywhere, anytime access to our online product, technology, and certification courses, with video lectures and hands-on labs. Subscriptions now also include webinars and best practices for fast answers to pressing questions. You can subscribe to all our training resources or to a particular technology area, and you can subscribe for a full 12 months.

Cisco Digital Learning subscriptions give you get the fastest, easiest access to our online technical training. And you'll receive the latest updates and releases in real-time, the minute they're available. With Cisco Digital Learning, we've got you covered.
