## Why Financing is Right for your Business

### Access to the right solution

Financing is designed to provide you with the freedom to acquire the technology you need to grow your business as well as the flexibility to react to changing business needs.

### Ease the pressure on your budget

Acquiring in the right technology without making a large capital expenditure enables you to invest valuable cash in other critical areas of your business.

### Plan and pay for technology and technical support over time

Spreading the cost over time makes budgeting easier.

Because your payments are more manageable, you'll know exactly how much you'll be spending and when.
