

# Cisco Capital Payment Solutions

**Flexible**

**Innovative**

**Agile**

## Ease your digital transformation with flexible payment solutions

Cisco creates solutions built on intelligent networks that solve our customers' challenges. Cisco® Capital delivers leading-edge payment solutions in over 100 countries\* to support our business partnership.

Together, we remove complexity and create outcomes to differentiate your business and support your success.

We can help you:

- Drive business outcomes
- Accelerate innovation
- Adapt to market dynamics, faster with flexible payment options tailored to your specific business needs

## Explore payment options

- [Total solution financing](#) for Cisco hardware, software and services, including partner provided services, and complementary third-party equipment
- Extended payment terms, cost-effective access to working capital and larger credit lines for qualified partners
- Cisco-certified remanufactured equipment, a strategic lever and cost-effective, environmentally friendly solution through [Cisco Refresh](#)

## Payment solutions for you

Acquiring technology has never been easier. Cisco Capital® payment solutions are designed to be flexible, innovative, and agile, so you can focus on your business objectives. We can help you realize the full benefits of Cisco technology today, and in the future, and pay for it in the way that best suits your requirements.

## Transformational models

- Bundled solutions: [Learn how](#) to combine Cisco hardware, software, services, subscriptions, and third-party solutions

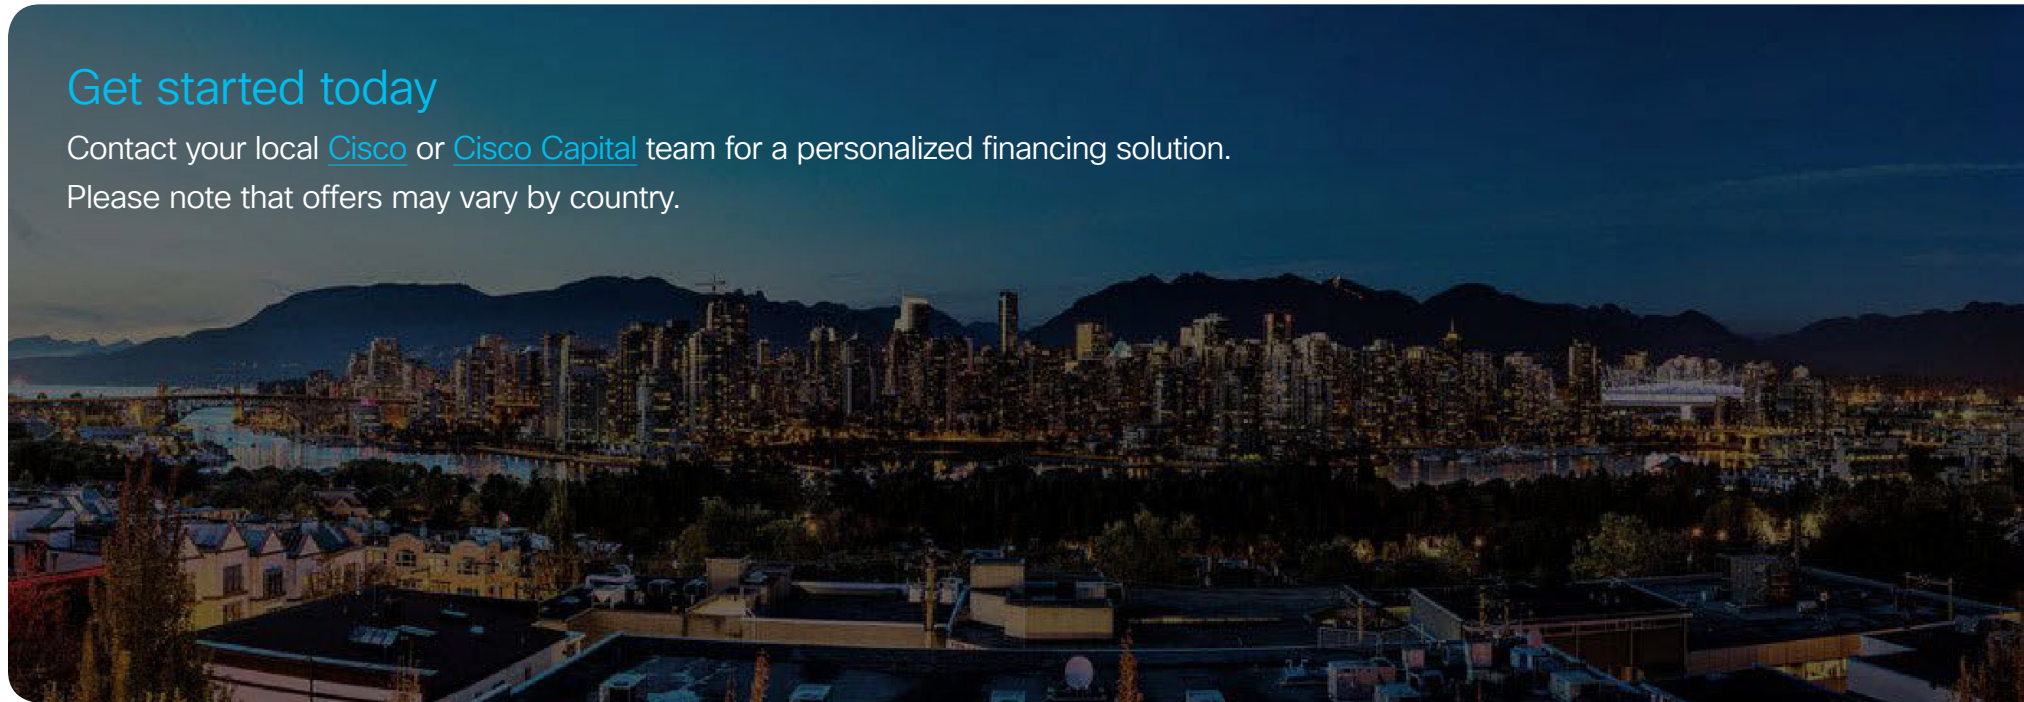

## Traditional models

- Finance and operating leases
- Services financing
- Technology migration
- Assignment structures for partners

## Get started today
