

Cisco Easy Pay

Access the Cisco technology you need with low rate financing

Avoid technology obsolescence with flexible migration options and gain access to a wide variety of Cisco solutions across architectures using Cisco Easy Pay.

The world is changing fast. Businesses now need even more agility and access to the latest technology to stay in front of these changes.

It's all about keeping you, our customers, happy and growing your organization. Gaining access to Cisco® technology lets you add business value and deliver against your evolving organizational imperatives.

With Cisco Easy Pay*, you can expect no upfront costs and predictable monthly payments whether you desire to:

- Upgrade to the latest Cisco next generation firewall to protect your high-value digital assets
- Enable your network to keep pace with new digital business needs
- Build a new facility or upgrade your current data center platform
- More effectively collaborate across your organization

*Participating country's terms and conditions apply. Finance partner credit approval required

Easy Pay details

Product eligibility

- All Cisco products*. Limited availability for Global Service Provider product lines.

Availability

- India

Offer valid through July 28, 2018.

*Cisco Data Center solutions are not eligible in India.

How it works

Cisco Easy Pay

Make repayments on only 90% of the purchase price over three years at below market rate interest.

You just need to have 70% Cisco hardware within your solution.

After 3 years, you may return and refresh the hardware, or buy it for the remaining 10% of the original bill of materials.

Offer valid through July 28, 2018. Offers vary by country.

Lease and related products may be available through Cisco Capital (or the Cisco Capital local in-country entity) or independent third parties acceptable to Cisco Capital that are qualified to offer the lease and related financing products in your applicable jurisdiction. Available to qualified customers in select countries and subject to credit approval and execution of standard documentation approved for this offer by the applicable lessor. Rates are based on customer's credit rating, financing terms, offering types, location, equipment type and options. Not all Cisco products are eligible. In addition, the pricing set out above is exclusive of any applicable tax, including but not limited to VAT, GST, sales, use or personal property taxes (unless otherwise stated above) which may be imposed upon the equipment or the transaction. Other restrictions may apply. Cisco Capital reserves the right to change or cancel this program at any time without notice.

Receive these unique benefits

Equipment lifecycle management

Help manage costs, meet business demands, and avoid obsolescence with flexible migration options and simplified equipment disposal.

Preserve cash

Spread costs over time, preserve credit, and avoid a large cash investment.

Lower costs

Benefit from competitive rates and residual values to reduce TCO and accelerate ROI.

Next steps

Visit ciscocapital.com/apjc to learn more or contact your account manager or partner representative to see how you can finance your Cisco technology.

Alternative source of funds

Gain access to funds which frees up your money to work harder for your business.

One solution with predictable payments

Support the technology needs of your business with predictable monthly payments.

Strategic approach to your investment

With financing, your investment can be viewed not as a cost, but as an opportunity to add operational value and deliver against your evolving organizational imperatives.
