

Easy Pay Plus for Collaboration for Voice and Video Endpoints

To collaborate successfully, you need the ability to work across and beyond your organization.

With Cisco Capital® financing, you can use our funds to purchase Cisco® Collaborative voice and video endpoints, so you can focus on your work and the collaborative opportunities it presents.

Cisco® Collaboration helps you work better across boundaries without compromise from your pocket device to the boardroom. With a comprehensive portfolio for organizations of all sizes, we provide an open, extensible platform combining the best of both cloud and on-premises technology to deliver differentiated experiences – all with the performance, security and scalability you'd expect from Cisco. Innovate with solutions that are simple to use, fully interoperable, and ready to customize.

You can conveniently purchase our video and voice endpoints with Cisco Capital financing and lead the change to better collaboration.

Easy Pay Plus for Collaboration

Here's how the offer works:

- For hardware, you pay only 90% of purchase price, with 0% financing for 3 years.*
- For software and services, 0% financing is available for 3 years.*
- After 3 years, you may return and refresh, or buy the hardware for 10% of the original cost.

Offer valid through July 29, 2017.

Available in Australia, New Zealand, Japan, India, Malaysia, Singapore, Thailand.

Contact your local Cisco Capital representative.
