

# Easy Pay Plus for Security

Stop threats, see what's happening on your network, and reduce costs with Cisco's threat-focused next-generation firewall appliances.

Migrating to a Cisco® Next-Generation Firewall (NGFW), the industry's first-and-only threat centric firewall, is convenient with Cisco Capital® financing.

With Cisco NGFWs you receive technology that:

- Provides deep visibility into and across your network
- Applies intelligent automation to identify threats
- Adapts protection to your dynamic network environment
- Quickly scopes and recovers from attacks to minimize damage

Cisco Capital has made financing simpler so you can upgrade to the latest Cisco NGFW today and protect your high-value digital assets.

## Easy Pay Plus for Security

### Here's how the offer works:

- For hardware, you pay only 90% of purchase price, with 0% financing for 3 years.\*
- For software and services, 0% financing is available for 3 years.\*
- After 3 years, you may return and refresh, or buy the hardware for 10% of the original cost.

Offer valid through July 29, 2017.

Available in Australia, New Zealand, Japan, Korea, India, Malaysia, Singapore, Thailand.

### Easy Pay Plus for Security details

a. **Solution size:**

\$100,000 USD to \$10M USD

### Receive these unique benefits

- **Alternative source of funds:** Use our money instead of yours, which frees up funds to work harder for your business.
- **Preserve cash:** Spread costs over time, preserve credit, and avoid a large cash investment.
- **One solution with predictable payments:** Support the technology needs of your business on your own terms and timeframe.
- **Lower costs:** Benefit from competitive rates and residual values to reduce TCO and accelerate ROI.
- **Equipment lifecycle management:** Help manage costs, meet business demands, and avoid obsolescence with flexible migration options and simplified equipment disposal.
- **Payment options:** Extend your investment protection with term duration and end-of-lease options.

### Strategic approach to your investment

With Cisco Capital financing, your investment can be viewed not as a cost but as an opportunity to add operational value and deliver against your evolving organizational imperatives.
