

# Cisco Spark Board Access Plan

Cisco Spark Board 55

Cisco Spark Board 70

The Cisco Spark™ Board Access Plan gives you an easy way to acquire the Cisco Spark Board as a service for hardware, software, and support through a predictable, monthly payment plan.<sup>1</sup>

## Program Components

- Three-year agreement:
  - 55" Cisco Spark Board: US\$380/month USD MSRP for 36 months<sup>2</sup>
  - 70" Cisco Spark Board: US\$575/month USD MSRP for 36 months<sup>2</sup>
  
- What's included:
  - Cisco Spark Board
  - Cisco Spark Board subscription
  - Automatic software updates
  - TAC support
  - Next-day RMA

## Program Benefits

The Cisco Spark Board Access Plan gives you an additional option for acquiring the Cisco Spark Board. The plan reduces the cost of entry for the Cisco Spark Board by replacing the initial hardware purchase price with affordable and predictable monthly payments. This can help organizations better manage their budgets across capital and operational expenses. It can also give smaller organizations access to the Cisco Spark Board without a large initial cost.
