Cisco Systems Service Price Changes

June 1, 2008 – General Announcement

Cisco Announces Service Price Changes

Cisco ® periodically reviews the pricing on its complete line of services. As a result, some service prices are being adjusted, as set forth in greater detail in the ordering tools. Customers are encouraged to refer to the ordering tools, as updated, to account for these changes.

Effective Dates

Price change decreases in this will be effective on June 1, 2008. All price change increases in this announcement will be effective on July 1, 2008.

Adaptive Security Appliance 5500 AIP Security Services Module-20 REFURBISHED

Reason for Change
The original service prices were miscalculated. We are making these changes to correct these inaccuracies.

Service Programs Affected

Collaborative TS, Cisco Shared Support Program, Standard Shared Support service levels will be adjusted to the new service prices for the product IDs listed in the following Table.

Table 1. Price Decrease
