

# Cisco Security Enterprise License Agreement, 0% to Low Rate Financing

Cisco® Security Enterprise Licensing Agreement (ELA) / Enterprise Agreement (EA) enables you to license your security in a simple, flexible, and cost-effective way for your entire organization.

A complete set of security applications is included in each software suite offered, along with updates and upgrades during the term of the agreement.

- Simplify licensing management with just one agreement for your entire organization.
- Scale to meet changing business needs with licenses that help enable unlimited organic growth and provide updates and upgrades.
- Control costs with volume pricing, budget predictability, and investment protection for existing licenses and services.

## Offer Details

With Cisco Capital® low rate (as low as 0%\*) financing for Cisco Security EA/ELA, you have a convenient way to acquire and lower your upfront costs while providing the following:

- Licensing of software, upgrades, and support subscription services in a single, multiyear agreement that expires at the same time.
- Enterprise-wide licensing and services (with growth included).
- Fixed price with budget predictability.
- Ease of doing business, growth included.
- Investment protection for previously purchased software and services.

Cisco Security EA/ELA is eligible for a three through five year term financing. Offer valid through July 27, 2019. Available in the US and Canada, Europe and across Asia. \*Offer will vary by country.

## Benefit from these unique incentives

- Alternative source of funds: Use our money instead of yours, which frees up funds to work harder for your business.
- Preserve cash: Spread costs over time, preserve credit, and avoid a large cash investment.
- One solution with predictable payments: Support the technology needs of your business on your own terms and timeframe.
- Lower costs: Benefit from competitive rates and residual values to reduce TCO and accelerate ROI.
- Equipment lifecycle management: Help manage costs, meet business demands, and avoid obsolescence with flexible migration options and simplified equipment disposal.
- Payment Options: Extend your investment protection with the right payment schedule, term duration, and end-of-lease options.

## Strategic approach to your investment

With Cisco Capital financing, your investment can be viewed not as a cost but as an opportunity to add operational value and deliver against your evolving organizational imperatives.
