Easy Pay

For hardware, you pay only 90% of the purchase price, with as low as 0% financing for three years.¹

For software and services, as low as 0% financing is available for three years.¹

After 3 years, you may return and refresh the hardware, or buy it for the remaining 10% of the original bill of materials.

¹ When software and services are < 30% of the total cost, you may qualify for 0% financing for 3 years at 90% of the purchase price. When software and services are > 30% of the total cost, Cisco software and services can be financed at prevailing market rates.

Lease and related products may be available through Cisco Capital (or the Cisco Capital local in-country entity) or independent third parties acceptable to Cisco Capital that are qualified to offer the lease and related financing products in your applicable jurisdiction. Available to qualified customers in select countries and subject to credit approval and execution of standard documentation approved for this offer by the applicable lessor. Rates are based on customer's credit rating, financing terms, offering types, location, equipment type and options. Not all Cisco products are eligible. In addition, the pricing set out above is exclusive of any applicable tax, including but not limited to VAT, GST, sales, use or personal property taxes (unless otherwise stated above) which may be imposed upon the equipment or the transaction. Other restrictions may apply. Cisco Capital reserves the right to change or cancel this program at any time without notice.
