Uniting teachers, experts, and students with a world of opportunity.

Connect to immersive learning experiences

The Cisco Connected Educator Program provides a professional learning network and a series of badges for teachers who are using technology to connect and engage students.

Get Connected

Begin your journey by visiting CILC.org and joining the Cisco-CILC Professional Learning Network.

Start by getting your Cisco Virtual Field Trip Badge and enjoy exploring the world from the comfort of your classroom.

The mark of professional development

Demonstrate your proficiency with Cisco Webex for better teaching and learning, and earn Cisco Connected Educator badges for your efforts. Badges are aligned with ISTE standards.

Technology made easy

Remove complexity from digital learning. You don’t have to be an IT expert to create immersive learning experiences.

Got Connected

Sign up for free on CILC.org and join the Cisco-CILC Professional Learning Network. Start to get your Cisco Virtual Field Trip Badge and enjoy exploring the world from the comfort of your classroom.

Cisco Connected Educator

Break through classroom walls.

Meet and mentor other educators. Inspire and be inspired.

Connect with content experts around the globe.

Take innovative virtual field trips.

Bring your lesson plans to life
