We need to
talk, **Fridge.**

A pair of hands is shown from a top-down perspective, cupped together to hold a small, rectangular piece of white paper with deckled edges. The word "Service" is written on the paper in a light blue, cursive-style font. The hands are positioned centrally against a solid black background, which makes the skin tones and the white paper stand out. The lighting is soft, highlighting the texture of the skin and the paper.

Service
