India Digital Education Summit

Handbook - Summit Overview

Before you Travel

Dress Code

Please note the dress code for the conference and dinners is smart casual. Hyderabad has a tropical climate with very high temperatures during April with average temperatures between 25 - 35 Degree Celsius, so pack accordingly. Jackets and ties are optional.

We recommend flat comfortable shoes as walking is a part of each day

Mobility

The university tours do include a degree of walking. Should you require assistance please let us know and we'll make arrangements to ensure you can access the various areas comfortably

Join Spark

Download and connect via Cisco Spark (available on Android, iOS or desktop) and stay up-to-date on the latest on the summit. Register to Cisco Spark with the email address used for registration and you'll be added to the space. Cisco Spark.

CLIMATE IN HYDERABAD

- Hyderabad has a tropical climate with very high temperatures during April with average temperatures between 25 – 35 Degree Celsius.

- We suggest light cotton and linen clothes for comfort.

About ISB, Hyderabad

- THE INDIAN SCHOOL OF BUSINESS (ISB) evolved from the need for a world-class business school in Asia. The founders, some of the best minds from the corporate and academic worlds, anticipated the leadership needs of the emerging Asian economies.

- The ISB is committed to creating such leaders through its innovative programmes, outstanding faculty and thought leadership. Funded entirely by private corporations, foundations and individuals from around the world who believe in its vision, the ISB is a not-for-profit organisation.

- Indian School of Business is regarded as one of the most digitally-advanced, fastest growing and innovative B-Schools globally.

Indian School of Business (ISB)
