

Resilience to Recovery

Capturing the rebound

Robin Llamas
Interim Country Leader, Cisco Philippines

The world has changed

What can be delivered
digitally *must*
be delivered digitally

Reimagine the...

Future of Work

Future of Modern
Enterprise

Future of Work

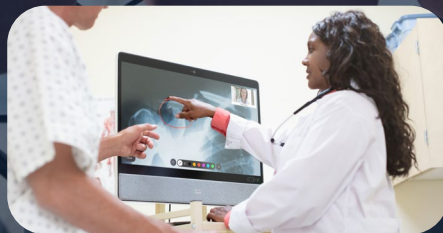

The future of work is hybrid

Work from home

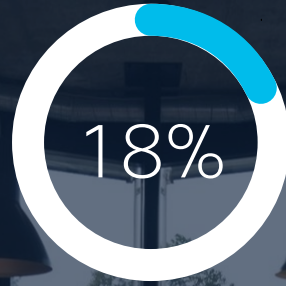

Work from the office

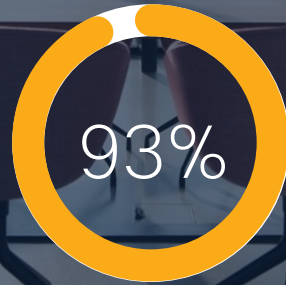

Work from anywhere

Filipino workers want more control

Worked from home most of the time before the pandemic

Want greater ownership and choice in the new world of work

Hybrid work solutions must be

Flexible

Adapts to any work style, role, environment

Inclusive

Supportive

Secure

Managed

Hybrid work solutions must be

Flexible

Inclusive

Equal experiences for everyone

Supportive

Secure

Managed

Hybrid work solutions must be

Flexible

Inclusive

Supportive

Focused on safety, empathy, and well-being

Secure

Managed

Hybrid work solutions must be

Flexible

Inclusive

Supportive

Secure

Secure by design, private by default

Managed

Hybrid work solutions must be

Flexible

Inclusive

Supportive

Secure

Managed

Modern infrastructure, frictionless administration

Cisco
enables the
future of
hybrid work
