The screenshot displays the Cisco Access Request Tool interface. At the top, the Cisco logo is on the left, and the title 'Access Request Tool' is in the center. Below the title are navigation links: 'Create Request', 'My Requests', 'My Approvals', 'My Delegation', 'My Access', and 'Reports'. The main header is a blue bar with a white padlock icon and the text 'Create Access Request'. Below this is a breadcrumb trail: 'Home / Cisco Software / Smart Account / Prod / TYPE--CEPM / CSWS--CSWApps--CiscoSupport'. A search bar contains 'This page only' and 'search resource name'. A 'Submit for Approval...' button is on the right. The main content area shows the resource details for 'CSWS--CSWApps--CiscoSupport', which is a 'Support role for an internal Cisco Support User.' The 'Request' toggle is turned on. Below this, the 'Resource ID' is 114400920. The 'Approvers' section lists 'Level One' (mkading, anotoglo, devarshn, jlangan, mukusing, vraghava) and 'Level Two' (none listed). The 'Owners' section lists devarshn, mukusing, and jlangan. A 'Show Additional Fields' link is at the bottom.
