Block out the distractions and welcome pure focus

AUDIO EXCLUSION ZONES

Audio Exclusion Zones allows you to block out distracting background noises or conversations outside your meeting area, ensuring that your audio stays clear and sounds professional. Experience meetings like never before—focused, uninterrupted, and productive. The best part? It's configured in seconds.

GA: Q4 CY25

Note: This will first be available with the Cisco Ceiling Microphone Pro.

Your rooms just became plug-and-play

ZERO TOUCH PROVISIONING

Simplify device onboarding at scale with plug-and-play setup, automated deployments, and centralized management.

With pre-provisioning in Control Hub, devices arrive ready to use—no manual configuration needed. Letting your team deploy faster, reduce errors, and get up and running with minimal IT expertise.
