

# Hybrid Mesh Cloud Suite Promotion

Discount for select firewall models and software when purchasing or having an existing Cloud Protection Suite subscription.

## In Brief

**Dates available:** Until July 25, 2026.

**Regional availability:** AMER, EMEA, APJC (excluding Russia, Belarus & Mainland China).

**Eligibility criteria:** Available through Deal Registration: Hunting and Teaming only.

**Account opportunity:** This offer is available across all customer segments for security deals.

**Financial reward:** With the discount on select firewall models when purchasing Cloud Protection Suite, maximize your firewall discounts and confidently position Cisco Firewalls in end customer accounts to form a full Hybrid Mesh Cloud Suite.

Earn up to the following discounts:

- Cisco Firewall Appliance - 80%
- Cisco Firewall Subscription Software - 80%
- Cisco Firewall Extended Logging Software - 80%
- Cisco Cloud Defense Orchestrator - 80%

**Eligible partners:** All

**Primary benefits:**

- Up to 80% flat discount
- Automated validation
- Promotion assistance via Concierge Team

**How to engage:**

1. Proceed with deal registration after discussing strategy with Cisco Account Manager
2. Cisco Commerce will allow you to specify the existing Cloud Protection Suite subscription ID
3. Cisco Commerce will apply promotional discounts on eligible line items
4. Deal Review/Approval
